

SREE NARAYANA COLLEGE

CHATHANNUR

ETHICS COMMITTEE

"Education is not the amount of information that is put into your brain and runs riot there, undigested, all your life. We must have life-building, man-making, character-making assimilation of ideas. If you have assimilated five ideas and made them your life and character, you have more education than any man who has got by heart a whole library."

The Vision of the Ethics Committee which took its shape on Nov 1, 2016, is the overall development of the students of the institution. In order to achieve the vision and mission of the committee, various programmes have been organized by the committee. One such programme is the "Clean Army" Programme which aims at making the College Campus Clean. This also aims at instilling the hygiene culture among students. With a view of making the Campus Green programmes were initiated named Malarvadi and HarithaYathnam. It also aims at instilling a love for nature among students. Another programme which has been started in the college is the "Annam Brahmam," in order to make the campus hunger free and the committee have another programme named "Pothichoru" .. The programme intended to supply packets of meal for the inmates of 'Karunalayam'. Students brought packets of meal prepared at their homes and supplied it to the inmates. This aims at instilling

love for fellow being among the students. To make the campus stress free a programme named "Santhwanam" has been initiated by the committee. This aims at instilling self-esteem and love among students. The college can be labelled as a student friendly campus as it lends a helping hand to the students who belong to poor economic background through the programme " One day One Rupee" Programme initiated by the committee." She care" is another noteworthy programme initiated by the committee which supplies sanitary napkins to the girl students whenever they are in need of it. The campus has turned to be a didactic campus by the programme started by the committee named "Gurukulam", where in the inborn talents of the students are developed and also helps the students to fix a career. Helps from Experts in various fields are sought. PSC coaching, English Language Enhancement Programme, Arabic and Korean classes to develop the language in students, training in Dance, Music, are provided to develop the inborn talents in students are given. Yoga classes are provided to create a healthy body as there will be a sound mind if there is a sound body. Ethics Committee also have a magazine named as "GURU" which aims to develop creativity and imagination of our students. The Seed of the future society are in the children of the present day. So, our vision is to help in the overall development of the students so that they become the responsible and perfect citizen of tomorrow.

"By education, I mean an all-round drawing of the best in child and man is in body, mind and spirit".
