SREE NARAYANA COLLEGE, CHATHANNUR

The Department was established in the year 1981 with Pre Degree course. B. Com degree course started in 1995. M.Com was started in the year 1999.

It is the one of the largest departments of the College with the highest annual average student intake.

The most important asset of any civic society is its skilled manpower.

WE consider education as not just the dissemination of knowledge, but equipping the students with appropriate skills and knowledge to take up new challenges for contributing to the society as well as fulfilling their career dreams.

VISION

To train the students to meet the challenges of life and to meet the day to day demands and challenges of the contemporary business environment.

MISSION

- To build the conceptual foundation in the areas of commerce
- To equip the students with accounting and entrepreneurial skills.

- To enhance management skills and analytical thinking for a successful career.
- To develop students for professional career in accounting, finance, research and higher education
- To build life skills through value based education and service oriented programs.

In subsequent to covid 19 outbreak, the offline classes were partially commenced in the month of October and since then the department is using a blended mode of teaching and learning and this has initially caused serious issues for faculty allotment for different classes due to semester overlapping, university valuation and other related issues. But the department has managed to complete the portions for sixth semester and final PG and the pending classes for the third semester UG and First Semester PG would be finished during the second week of April.

The department has requested the Principal for minimum infrastructure for continuing its ambitious program aimed at students overall personality development and career success but realized that extending a proper facility for this can be considered only in the next year. This year five students from final year B.Com have benefitted through this program and expected to finish this via online mode during the month of May 2022.

International Yoga Day: 2021

Department of Physical Education in association with Health club of our College took an initiative to give awareness class for Basics Awareness of Yoga for students. Yoga incorporates breathing exercises, meditation and poses designed to encourage relaxation and reduce stress. Practicing yoga is said to come with many benefits for both mental and physical health. There is no doubt about the importance of Yoga for students. With today's lifestyle, People tend to forget about their physical and mental health accumulating stress and fatigue in the body.

International Yoga Day is an annual event that has its roots in an Indian context, but is commemorated every year on 21 June 2021. The idea of International Yoga Day was conceived by Prime Minister Narendra Modi, who proposed the concept on September 27, 2014, during his speech at the UN General Assembly. The resolution to adopt June 21 as the International Yoga Day was introduced by India's Ambassador, Ashoke Kumar Mukerji.

This resolution can be viewed as a triumphant moment for Indian soft power as it received support from 177 nations, the highest number of co-sponsors for any UN Resolution. Currently, countries ranging from Canada to the USA participate in this event.

The significance of Yoga Day can be seen in the light of spreading awareness and taking tangible steps, on an issue of well-being, which is the need of the hour. At one level, International Yoga Day is about integrating body, mind and soul, as yoga is an ancient Indian tradition combining bodily agility with mental relaxation techniques. Broadly, the significance of Yoga Day can be seen in the light of spreading awareness and taking tangible steps, on an issue of well-being, which is the need of the hour.

This year, the theme for the event is “Yoga at Home and Yoga with Family”, in line with global concerns around the Covid-19 pandemic, emphasising the importance of maintaining good health, but within constraints of social distancingg

This can also be seen as a means to encourage people to find creative outlets during a monotonous situation. Activities that can be indulged in this Yoga Day include leveraging social media platforms such as Instagram, to spread awareness and connect with people on this issue.

Carries the theme "Yoga for well-being", much relevant for our times in a society still recovering from the impact of the coronavirus disease (Covid-19)

pandemic.

COMMUNITY VISIT (OLD AGE HOME)

The Student Members of Women Cell along with the Women Cell Co-ordinator and library assistant Revathy visit the Old Age Home at St Vincent Perumpuzha on 10, March 2020. The purpose of this visit was to make the students realize their social responsibilities towards Senior Citizens. Such visits also activate the student's thought process to realize the agony and pain which the people go through in their old age while living away from their dear ones. We distributed lunch to all inmates. The visit intended to teach them how to interact with the elderly who may have poor hearing and understanding along with other health problems as a result of old age. Many matured individuals remaining here were not destitute. They had their families some place in the city or adjacent towns. They were left there to spend whatever remains of their lives in light of the fact that their families didn't need them any longer. We distributed lunch to all members. They bid us good bye with tearful eyes but with a promise to revisit them frequently.

ചാത്തന്നൂർ ശ്രീ നാരായണ കോളേജ് ക്യാമ്പസിൽ 'കരണൽകൃഷി വിത'ത്ത് തുടക്കം കുറിക്കുന്നു. ചാത്തന്നൂർ എസ് എസ് കോളേജിന്റെയും ചിറക്കര ഗ്രാമപഞ്ചായത്തിന്റെയും ചിറക്കര കൃഷിഭവന്റെയും സംയുക്താഭിരുവൃത്തിലാണ് പദ്ധതി നടപ്പിലാക്കുന്നത്. കൊറോണ സൂപ്പിച്ച് ദുരിതകാലമാണ് വർഷങ്ങളായിത്തുടർന്നു വന്നിരുന്ന ചെറു കൃഷികളെ വിപുലപ്പെടുത്തുന്നതിനെപ്പറ്റി ചിന്തിക്കാൻ ഏവരേയും പ്രേരിപ്പിച്ചത്. അതിന്റെ ഭാഗമായാണ് 'അഗ്രോ പാർക്ക്' എന്ന പദ്ധതി കഴിഞ്ഞ വർഷം ആരംഭിച്ചത്. തുടർന്ന് കോളേജ് ക്യാമ്പസിലെ പത്തു ഏക്കറോളം തരിശു ഭൂമിയെ കൃഷിയോഗ്യമാക്കി മാറ്റി, അവിടെ പയറു കൃഷി നടത്തുകയും വിപുലമായ രീതിയിൽ അതിന്റെ വിളവെടുപ്പ് ഉൾപ്പെടെയുള്ള പരിപാടികൾ സംഘടിപ്പിക്കുകയും ചെയ്തു. ഈ വർഷം നെൽകൃഷിയൊപ്പം ക്യാമ്പസിൽ ചോളംകൃഷിയുടെയും പച്ചക്കറിത്തോട്ടു നിർമ്മാണത്തിന്റെയും പ്രവർത്തനങ്ങൾക്കും ആരംഭം കുറിക്കുകയാണ്. ഇത്തരം പ്രവർത്തനങ്ങളിലൂടെ വിദ്യാർത്ഥികളിൽ പുതിയൊരു കാർഷിക സംസ്കാരം വളർത്തിക്കൊണ്ടുവരാനും പ്രകൃതി സംരക്ഷണത്തിന്റെ ആവശ്യകതയെപ്പറ്റി ബോധ്യപ്പെടുത്തിക്കൊടുക്കാനും സാധിക്കുന്നു.

ACTION TAKEN REPORT ON FEEDBACKS

Feedbacks for the year 2021-22 are collected from the stakeholders viz- students, teachers & parents by providing structured questionnaires by the IQAC. The data were collected and analyzed by the IQAC along with the college council. Valuable suggestions & improvements are taken into considerations from the stakeholders while designing the academics. Recommendations made through the feedbacks include:

- To increase the number of add on and certificate courses for students.
- To encourage departments to form more MoU's with various organizations.
- To increase the number of student internships and placements.
- To improve the classroom and laboratory infrastructure of the college.
- To improve the library facilities including books and e-resources.
- To augment ICT enabled education.
- To improve the Wi-Fi connectivity of the campus.

Based on the above recommendations made by various stakeholders, the college decided to take initiatives to fulfill these in the upcoming academic year.
