The google form were circulated among faculties of the college via online mode and the responses were compiled and analysed thoroughly. Based on the feedback collected, viable suggestions and necessary actions were taken.

**Preamble:**

The feedback from the teachers is taken by the IQAC for every academic session. The factors include opinion regarding aims and objectives of the syllabi, the depth and adequateness of the course content for significant learning outcomes, availability of sufficient prescribed books, reference material and related books, appropriateness of pre-requisite courses, balance between theory and Laboratory-work, etc.

**Process:** The students are supplied with a pre-designed five-point style questionnaire to record their opinion. The recorded choices are then processed to obtain the feedback Analysis Report. The five -point scale consisting of choices Strongly disagree, Disagree, uncertain, Agree and Strongly agree is incorporated for the feedback and analysis.

**Action Taken:** Proper suggestions were consolidated to communicate to the Principal and the College Council to ensure the proper redressal of the suggestions.

**Teachers Feedback:**

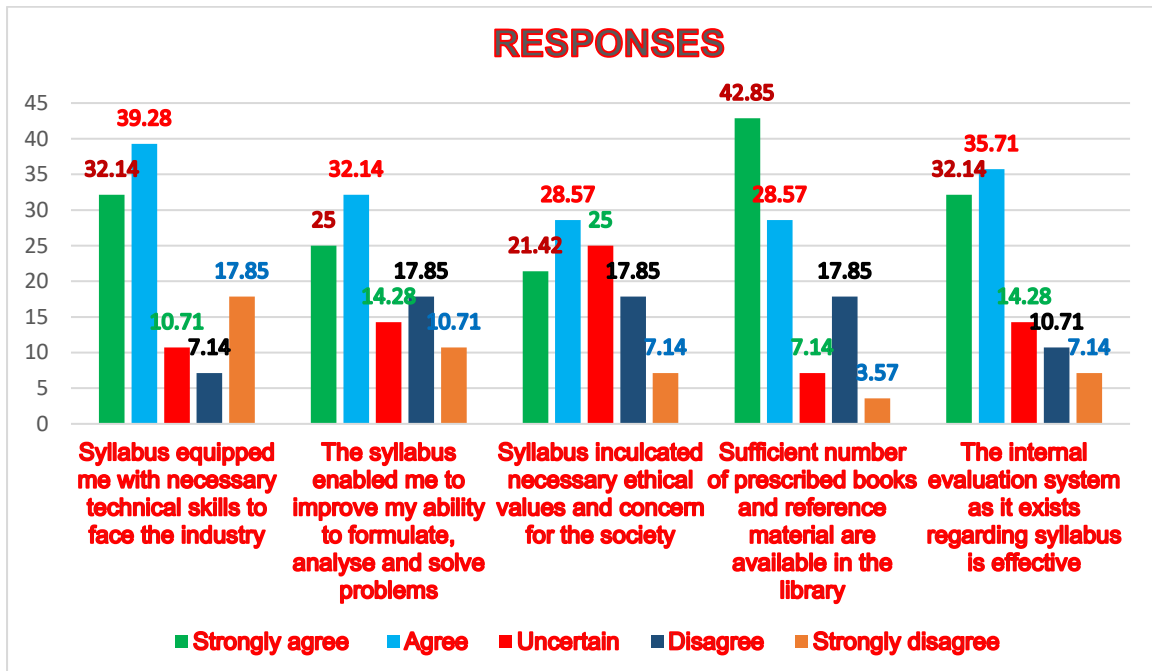

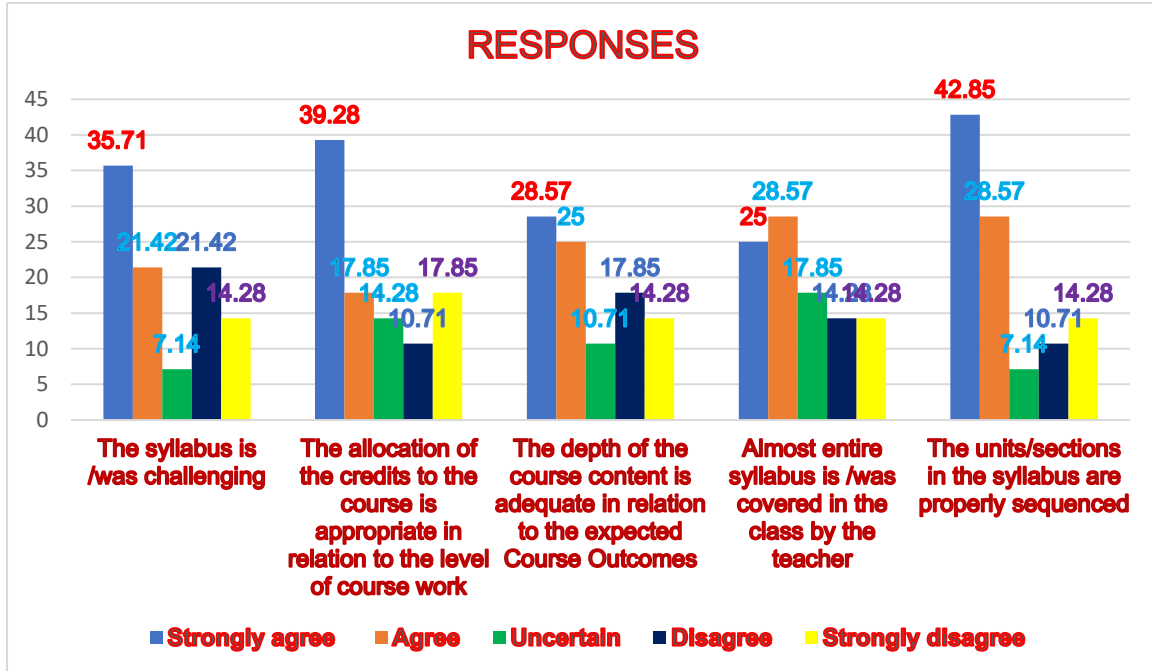

The teachers are the most important stakeholders of Higher Education systems. The interest and participation of teachers at all levels in both internal quality assurance and external quality assurance have to play a central role. The college had collected the feedback on curriculum on online mode from the teachers.

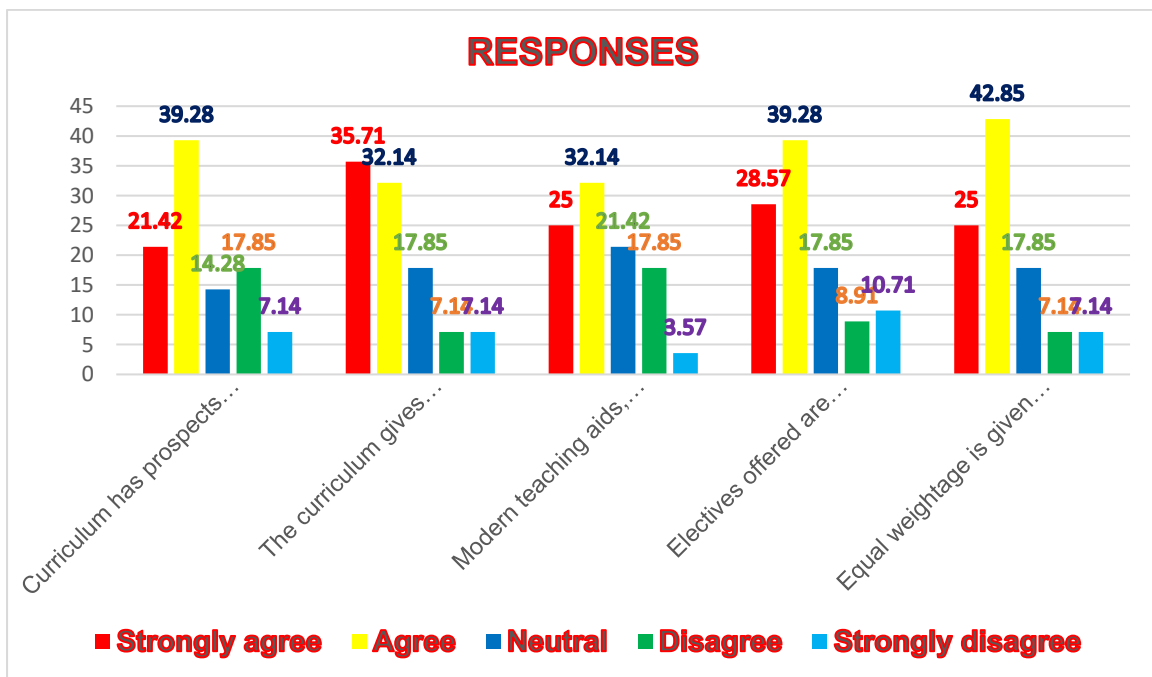

The teachers response with reference to curriculum were depicted in graphical manner which helps in portraying the curriculum in both academic and non -academic matters.

#### Analysis and Interpretation of the study:

As per the analysis, it is understood that majority of the teachers are in agreeable terms with reference to the curriculum designing and presentation. Minority number of teachers are of opinion about the updating of curriculum and its aspects. The analysis is properly done with statistical tools and the results is discussed in college council for further action.

### **ACTION TAKEN REPORT:**

It is opined that Syllabus requires some technical writing skills and more practical oriented classes. Sufficient number of reference material and related books and other resources are made available for the topic mentioned in the curriculum in the library. To ensure easy conduct of online classes during the pandemic period, CLMC directed the faculties to submit the hour wise work statement of faculties on weekly bases. All departments conducted webinars based on the recommendations received from the students through feedback. Chemistry department organized a webinar series 'Synergy' inviting international resource persons. PTA sponsored 'Chalk Talk' webinar series was conducted ensuring the participation of all subjects. The faculties are directed to use practical oriented classes through the usage of modern teaching aids, power point presentations, web-resources, multi- media, e-content etc. In order to build job competency in students and subject knowledge in students, college offered new skill-based diploma courses and certificate courses.
