A questionnaire were circulated among students of the college and the responses were analysed thoroughly. Based on the feedback collected, viable suggestions and necessary actions were taken.

Preamble:

The feedback from the students is taken by the IQAC for every academic session. The factors include opinion regarding aims and objectives of the syllabi, the depth and adequateness of the course content for significant learning outcomes, availability of sufficient prescribed books, reference material and related books, appropriateness of pre-requisite courses, balance between theory and Laboratory-work, etc.

Process:

The students are supplied with a pre-designed five point scale style questionnaire to record their opinion. The recorded choices are then processed to obtain the feedback Analysis Report. The five point scale consisting of choices strongly disagree, Disagree, uncertain, Agree and strongly agree is incorporated for the feedback and analysis. Action Taken: Proper suggestions were consolidated to communicate to the Principal and the College Council to ensure the proper redressal of the suggestions.

Students Feedback:

The students are the most important stakeholders of Higher Education systems. The interest and participation of students at all levels in both internal quality assurance and external quality assurance have to play a central role. The college had collected the feedback on curriculum on online mode from the students. The five-point scale feedback form on the curriculum has been receive from 125 students.

The student's response with reference to curriculum were depicted in graphical manner. A total of 307 students responses were compiled and analysed properly.
