Places on most of our courses reach maximum student capacity early in the admission cycle, and as a result, the published latest deposit deadline date is often brought forward. We therefore strongly encourage you to make your financial deposit payment as quickly as possible, even if you have other conditions of entry outstanding. Specific admissions deadlines and other important dates can be found on our website: <https://www1.chester.ac.uk/international/how-apply/important-dates>

Should you require a Confirmation of Acceptance for Studies (CAS), this will be issued to you once the required deposit has been paid or you have demonstrated financial sponsorship for the required amount via an approved sponsorship organisation, as well as documents which prove that you have satisfied any academic and/or English language conditions relating to your offer, have been received. Before a CAS is issued you will need to submit a CAS request form along with all required supporting evidence. Further information on the documents required as part of the CAS process can be found on our website:

<https://www1.chester.ac.uk/international/how-apply/cas-process>

You will be required to make a payment of 50% of the remaining balance of the total tuition fees due on or before your arrival at the University in order for you to be enrolled formally on your course. Failure to enrol formally, during the expected enrolment period, will result in the University withdrawing its sponsorship of you.

We look forward to meeting you at the University of Chester, and wish you every success in your studies here.
