1. INTRODUCTION

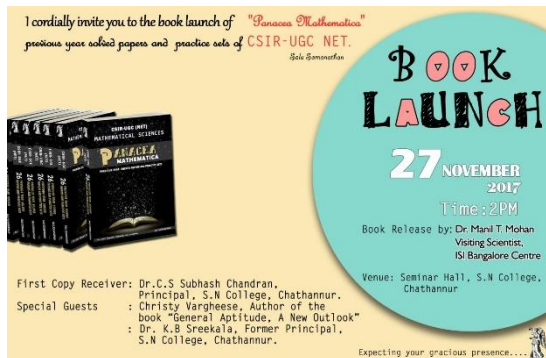

Sree Narayana College, Chathannur established on 31st August 1981 in devout memory of Sree Narayana Guru, a saint, poet, philosopher and one of the greatest social reformers of Kerala aims at achieving Guru's ideals "One Caste One Religion One God" and "Education to all and Education above all". It was the pioneering efforts of the founder manager late R.Sankar that realised the dream of establishing a group of institutions named after Sree Narayana Guru. This great temple of education endeavours to mould a humane, intellectually accomplished, morally awakened and socially committed fraternity of young men and women through education. Sree Narayana College, Chathannur situates at Karamcode, near to the KSRTC Bus Station Chathannur in Kollam district in Kerala. The College is managed by the Sree Narayana Trusts, Kollam, one of the leading educational agencies in the state. It is affiliated to the University of Kerala, and has 12 B recognition from the UGC.

The first Principal of the college was the noted academician Prof. K. Udayakumar. Ever since its inception in 1981, Sree Narayana College, Chathannur has catered to the educational and intellectual needs of young men and women from the rural areas of south Kollam.

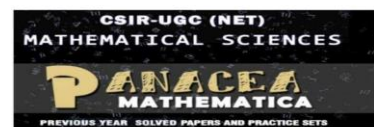

The college offers degree courses in Mathematics, Commerce, Chemistry & Industrial Chemistry and History. At the Post-Graduate level, the college offers M.Sc Mathematics and M.Com (Finance stream). Various clubs and study centers function to encourage and nurture the aesthetic and literary talents of its members. Conscious of its inceptual obligation, it takes education to the doorsteps of the poor and marginalized sections of the society and endeavours to mould a humane, intellectually progressive, morally awakened and socially committed group of young men and women.

2. HIGHLIGHTS OF THE YEAR:

- Department of Mathematics, Sree Narayana College of Chathannur organized a book launch of “**PANACEA MATHEMATICA**“ authored by Mr.Salu.S ,FDP guest lecturer, Department of Mathematics, on 27th November 2017. The program was inaugurated by **Dr. Manil T Mohan**, visiting scientist, ISI, Bangalore and the first copy was received by our Principal Dr. C.S. Subhash Chandaran.

(Dr. Manil T Mohan, visiting scientist, ISI, Bangalore launching the book “PANACEA MATHEMATICA”)

Book Release function.

Time, Venue.

Dr. 27-11-2017 Monday 2. P.M., S.N College, Chathannur.

Book Release: Dr. Manil T. Mohan, Visiting Scientist, Mathematics and Statistics Unit, Indian Statistical Institute(ISI), Bangalore.

First Copy Receiver: Dr. C.S. Subhash Chandran, Principal, S.N College, Chathannur.

Special Guests: Christy Varghese, Author of the book "General Aptitude, A New Outlook"

Dr. K.B. Sreekala, Former Principal, S.N College, Chathannur.

2.00 PM: Prayer: Students.
2.05 PM: Welcome Speech: Kiran Mohan, Asst. Prof. S.N College, Chathannur.
2.15 PM: Inaugural Speech: Dr. Manil T. Mohan.
2.40 PM: Release of Book.
2.45 PM: A word from author: Salu Somanathan.
3.00 PM: Greetings: Christy Varghese.
3.10 PM: Greetings: Dr. Subhash Chandran.
3.20 PM: Greetings: Dr. K.B. Sreekala.
3.30 PM: Greetings: Rani Rajeevan, Asst. Professor, S.N.C., Chathannur
3.30 PM: Thanks: Rasmi K., H.O.D., Dept. of Mathematics, S.N.C., Chathannur

(Book launching function “PANACEA MATHEMATICA”)

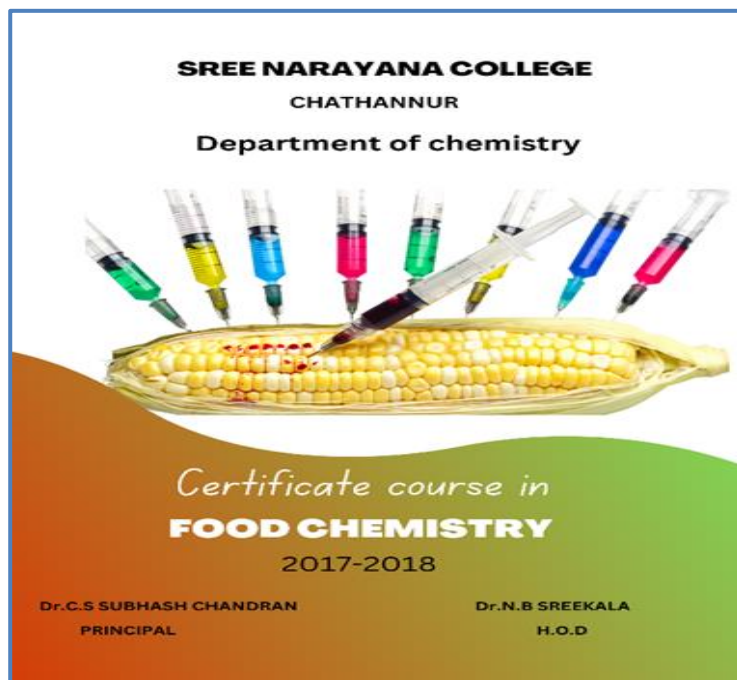

- The official inauguration of Mathematics association for the academic year 2017-2018 was conducted on 27/11/2017 at 10 am. **Mr. Christy Vargese**, the author of the book “**General aptitude a new outlook**” inaugurated it. Our former

HOD Dr. K. B. Sreekala, Principal Dr. C.S. Subhash Chandran and Dr. Manil T Mohan were present in the programme.

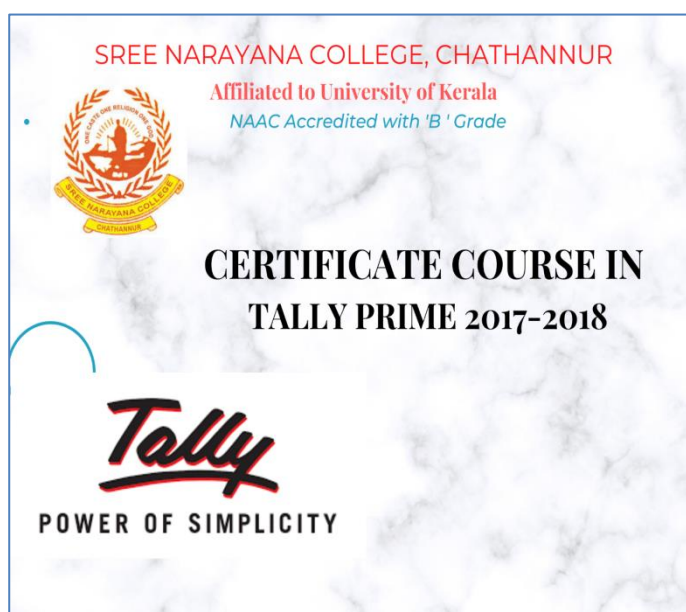

(Shri. Christy Vargheese Inaugurating the Mathematics Association Day)

- Department of Chemistry and Industrial Chemistry Sree Narayana College, Chathannur started a **Certificate Course in “Food chemistry”** during the academic year 2017-2018. The course duration was six months. The first batch started with 26 students. The classes were handled by the faculties of the department. The course meant to provide a better understanding in the nature, chemical composition of food, food packing and packaging materials, food preservation and also to instil the basic skills which are essential to get hired in food analytical labs. The course was intended for science students who are interested in pursuing a career in this field. Course completion certificates were distributed to students who have completed the course.

- During the academic year 2017-2018, Department of Commerce, Sree Narayana College Chathannur introduced a **Certificate Course in “Tally Prime 2017-2018”**. A total of 46 students has enrolled and successfully completed the course. The basics of accounting, accounting practices, Basic entry system of accounting, preparation of financial statements and account, Balance sheet preparation and audit were incorporated in the syllabus. The students were also engaged with both theoretical and practical sessions. The students were completed with high marks and grade for the examination and are provided with the certificate.

- Considering the significance of English language skills, our college offered a **Certificate course for Spoken English** during the year 2017-2018 and 51 students enrolled for the course. The main objective of the course was to develop the communication skills of our students and thus make them career-ready. The classes were handled by Ms. Reshma Salim, Head of the Department of English and the English Guest Lecturer . The course cultivated public speaking skills, introduced phonetics, developed vocabulary, and improved the grammatical skills of the students. All 51 students have completed the prescribed 30 hours of the course during the period October 2017 - December 2018.

 **Sree Narayana College**
Affiliated to University of Kerala

Certificate Course in Spoken English (2017-18)

- **Duration** - 30 Hours
- Course offered by **English Department**
- Covers **5 modules**.
- **Benefits** - Expands vocabulary & improves proficiency in both written and spoken English.

How to Apply
Interested students can apply with the English Department

- To inculcate the interest in knowing one's own region, culture and traditions, the **Local History Initiative** was begun on October 25, 2017. This formed a part of the syllabus of the degree students. The event was flagged off by the Principal who

emphasized on the necessity on tracing one's own roots in knowing one's own self. The students formed various batches and held a preliminary survey of the various temples and cultural centers around the college premises . The team was guided by the faculties of the department

- Department of Mathematics, Sree Narayana College Chathannur started two certificate courses during the academic year 2017-2018. The official inauguration of Certificate courses **Introduction to R Programming** and **Data Analysis** was done by the Principal Dr. C.S.Subhash chandran on 02.11.2017. Smt. Karthika.V.S, Faculty in Statistics has leaded the classes from 02.11.2017 to 18.01.2018 and 04.12.217 to 16.02.2018 respectively.

The NET Cell at the Department of Mathematics SreeNarayana College, Chathannur conducted a CSIR- NET orientation class for post graduate students of Mathematics on 7/11/2017. The first session for I semester M.Sc class led by one of our faculty Salu Somanath.

(Mr.Salu Somanath, FDP Guest Lecturer, Dep. of Mathematics handling the session)

- Commerce department has launched a Quiz Forum under the leadership of the Post graduate students for the benefit of all the students of the department and it was decided to conduct a college wise quiz contest this month.
- Class wise discussion forums were conducted by Commerce Department as part of student skill up gradation initiatives. The Head of the Department is the Resource person for this initiative.
- Department of Commerce also organized a workshop for the students on ‘manufacturing umbrellas, paper bags and paper pen.

Student Achievements:

- Sruthymol T S (2014 Admn): Topper in B.Sc Chemistry & Industrial Chemistry University Examinations (79.9%).
- Aswathy.U.B – Class topper from M.Sc Mathematics, 2016-2018 (88.94 %).
- Gopikrishnan R – Class topper from B.Sc Mathematics, 2015-2018 (86.24 %).

- Top Scorer_ B.Com is Karthika with 88% marks and she is currently pursuing her Post Graduation Course in the department.
- Top Scorer_ M.Com is Reshma and she scored 80% marks and she also qualified UGC-NET and also bagged UGC - JRF award.
- Athul M.S, III B.Sc Mathematics has won second place in Kerala university inter collegiate interzone kabaddi(men) tournament held at Mannaniya college of arts from 30/10/2017 to 31/10/2017.
- Athul.M.S. was a member of University of kerala (men) team which participated in the South Zone Inter University Kabadi tournament organized by Sathyabhama University, Chennai from 19/11/2017 to 22/11/2017.
- Athul M.S represented as Kerala player in the 65th Senior National Kabaddi Championship-Men organized at Gachibowli Indoor Stadium, Hyderabad from 31/12/2017 to 05/01/2018.
- In pi value writing competition, conducted by the department of mathematics as a part of Pi approximation day Roshna .L from II B.Sc mathematics got the first prize.

3. STUDENT ENROLLMENT/DIVERSITY

During the year 2017-2018, the admission procedures as per the Online Centralised allotment has been carried out successfully in the college with the collaborated efforts of the Management, Principal, Staff, PTA and Non-teaching staff. Before the commencement of the admission a committee is formed and decisions are taken in the meeting. It is decided to follow the guidelines issued by the University and also to adopt the seat matrix. Management Quota admission is the sole responsibility of the management. They will give the list of the students who are eligible for management quota and admission is carried out thereafter. An admission committee comprising the list of members mentioned below are constituted for the admission of students during the academic year 2017-2018.

Dr. Subhash Chandran (Principal in charge), Dr. G Jayadevan (Management Nominee) Sri. Kiran Mohan M (Assistant Professor in Malayalam, Admission Committee Convenor), Dr. Manju S V (Assistant Professor in Commerce), Dr. N. B. Sreekala (Assistant Professor in Commerce), Smt.Nisha T V (Assistant Professor in Commerce), Smt. Rasmi K (Assistant Professor in Mathematics), Sri. P Hemachandran (Head Accountant), Sri. Vimal (U D Clerk).

Number of students admitted for UG course during this year.

5. SEMINAR/CONFERENCES/WORKSHOPS ATTENDED AND ORGANIZED

A. SEMINARS/CONFERENCES/WORKSHOP ORGANIZED:

- The seminar on Research Methodology organized by the Department of Chemistry and Science club of Sree Narayana College, Chathannur was inaugurated on 7th October 2017 at 10.00 am with Dr. R. Raveendran, UGC Emeritus professor, S. N. college, Kollam and Dr. Subhash Chandran C. S., College Principal. The inaugural keynote address was delivered by Dr. R. Raveendran who lectured on the topic 'Introduction to Research', focusing on characteristics of the scientific method and scientific knowledge and general approaches to research. Dr. Subhash Chandran C. S., Principal, Dr. N. B. Sreekala Head of the Department, Department of Chemistry spoke at the event. The seminar was conducted by science club members. Several UG and PG students and teachers in the college actively participated in the seminar. Undergraduate and postgraduate students and teachers participated in the seminar. The vote of thanks was delivered by Mrs. Muthu S., Assistant professor in Chemistry.

- The National Science Day 2018 was celebrated on 28-02-2018. A seminar on “Food Adulteration” by Dr. Shyamchand S S, Assistant Professor, University College, Trivandrum was organized. In the later half, a quiz competition was setup for the students.

- The seminar on Research Methodology organized by the Department of Chemistry and Science club of Sree Narayana College, Chathannur was inaugurated on 3rd March 2018 at 10.00 am with Dr. Latha M. S., Principal, TKMM college, Nangiarkulangara and Dr. C. S. Subhash Chandran, College Principal. Mrs. Muthu S., Assistant Professor in Chemistry welcomed all the participants in the session. The inaugural keynote address was delivered by Dr. Latha M. S. She lectured on the topic ‘Introduction to Research Methods’, focusing on understanding the scientific

methods, formulation and role of hypothesis in a research study, and the concept of research methods and methodology. The seminar was conducted by science club members. The participants actively involved in the end session of interactive session. The vote of thanks was delivered by Mrs. Bhavyasree P. G., Assistant Professor in Physics.

- Stressing on the importance of reading and for inculcating reading of History works the department ventured in observing the PN Panikkar Anniversary as Vaayana Dinam on June 19 , 2017 at 10.00 am in the History Department. The event was marked with remembering the doyen of reading culture PN Panikkar. The College Principal Dr.C.S.Subash Chandran delivered the inaugural address .The gathering was welcomed by Ms.Maya L, Head of the Department. PN Panikkar lecture was delivered by Dr.Udayakala, Author & Social Activist .She stressed on the never dying culture of reading and that the upsurge of no new media could restrict the smell and enthusiasm that a book could provide. Marked with a competition on Book review of select books, an active participation was seen from the students and was a new experience in book reviewing.

- A novel initiative for understanding the writing of history and its methodology was begun the department for students to ponder deep into the discipline. A seminar entitled ‘Writing History: Themes and Departures’ was organized on December 5,2017 in the Seminar Hall at 10.30 am, with Dr.Dhiraj .M.S, Assistant Professor, School of Historical Studies, Thunchath Ezhuthachan Malayalam University lecturing on the topic and delving into the ways of dealing history,major themes, new departures and methods of approaching them. The College Principal Dr.C.S.Subash Chandran delivered the inaugural address and Head of the Department Ms.Maya L,welcomed the gathering.

- As a primary step for beginners in understanding data gathering and cataloging as part of research ,a methodology seminar was conducted on seminar hall at 08/11/2017 Retd. Professor, IDE, University of Kerala, Dr. T.K.Vijayamohan engaged the students on the various techniques of data collection and cataloging for enabling easy reasearch. Newer techniques of cataloging were also delved into. Systematic assemblage of facts and interpretation was stressed with examples.

- The Post Graduate Department of Mathematics organized a Pi value competition on 22.07.2017. July 22 is Pi approximation day also known as casual Pi day. In British manner July 22 translates to 22/7 which is the fractional way how Pi is written. Hence July 22 is celebrated as Pi approximation day. The Dept of Mathematics also celebrates this day by organizing different activities such as Pi value writing competition, quiz competition, Pi day scavenger hunt etc. In quiz competition, Anooja A from III B.S c Mathematics got the first prize. II M.Sc students conducted a scavenger hunt by hiding Pi related clues around the campus and allowing the students to search for them. In scavenger hunt - Anandhu and Akhil from II B.Com won the first prize. In pi value writing competition Roshna .L from II B.Sc mathematics got the first prize.

- The Post Graduate Department of Mathematics conducted a seminar on “**Opportunities for Number Crunchers**” on 19th February 2018 @ 1.30 PM at Plus two science class room, SN Trust Higher secondary school Chathannur. It was an outreach programme presented by second year M.Sc Mathematics students for the Higher secondary students. The session informed about the variety of career opportunities that are available for Mathematics graduate. The Participants were actively involved in the interactive Session. The programme was useful for those who wish to build a career with Mathematics. Krishna R S, a plus two student carried out the vote of thanks. The effective session came to an end at 3.00 pm.

(Kum. Reshma S S, a second MSc mathematics student handling the class)

- March 14 marks Pi day, an annual celebration of the mathematical constant π . March 14 was selected because the numerical date (3.14) represents the first three digits of Pi and it also happens to be Albert Einstein's birthday. We were also celebrated this day on 14.03.2018 by organizing different activities such as Quiz competition, Pi value writing competition etc. In Quiz competition, Ankitha.P from I B.Sc Mathematics got the first prize. In Pi value writing competition, Anu.B.P from II B.Sc Mathematics got the first prize.

- Maryam Mirzakhani was an Iranian mathematician and a professor of Mathematics at Stanford University. Her research topic included Teichmuller theory, hyperbolic geometry, ergodic theory and symplectic geometry. She died on 14 July 2017. As a tribute, II M.Sc students along with the coordination of faculties from the postgraduate department of Mathematics organized a seminar on the topic "Women in mathematics contribution to Maryam Mirzakhani" on 12th May 2018 @ 10 am at seminar hall.

- Sree Narayana College, Chathannur organized a non-teaching staff training programme on "Administrative File processing" with the support of principal and IQAC on 08/07/2016 from 10.00 am to 4.00 pm. The principal Dr. Subhash Chandran. C. S delivered the introductory speech and welcomed the honourable guest & all the participants on behalf of the institution. He explained the purpose of the training programme. The training session was fortified by Dr. D. Chandra Bose, Retd. Principal and Emeritus Professor, Sree Narayana College, Kollam. He guided the participants in many categories of administration like P.F., regarding pension, Retirement benefits etc. Also, he spoke about good administration, how to tackle day to day records, He gave important information regarding how to maintain the register, Maintenance of college account etc. The participants asked questions on various topics. Dr. D. Chandra Bose answered all the queries properly. Thus, the session became very interactive. After the wonderful session the office Head Accountant Mr. P. Hemachandran, thanked all the participants and speaker on behalf of organizing committee.

Seminar/Conferences on Research methodology

The seminar on Research Methodology organized by the Department of Chemistry and Science club of Sree Narayana College, Chathannur was inaugurated on 3rd March 2018 at 10.00 am with Dr. Latha M. S., Principal, TKMM college, Nangiarkulangara and Dr. C. S. Subhash Chandran, College Principal. Mrs. Muthu S., Assistant Professor in Chemistry welcomed all the participants in the session. The inaugural keynote address was delivered by Dr. Latha M. S. She lectured on the topic 'Introduction to Research Methods', focusing on understanding the scientific methods, formulation and role of hypothesis in a research study, and the concept of research methods and methodology. The seminar was conducted by science club members. The participants actively involved in the end session of interactive session. The vote of thanks was delivered by Mrs. Bhavyasree P. G., Assistant Professor in Physics.

The Post Graduate Department Of Commerce, Sree Narayana College, Chathannur had organized a seminar on Reseach Methodology titled , BASICS OF RESEARCH “, on 3rd March,2018 from 10 am to 1 pm at Seminar Hall . An eminent personality Dr Soju S , Assistant Professor PG & Research Department of Commerce, Sree Narayana College ,Kollam handled the session. The seminar Coordinator ,Dr A Rajasekaran (Assistant Professor , PG Department Of Commerce) welcomed all the participants to this seminar. The Presidential address was delivered by Dr. C S Subash chandran principal of the college. Through this session the students got an idea about the Basics of research, how to formulate a research problem and how do a project as a part of their curriculum. All the final year B.com & M.Com students were actively participated in the seminar. The vote of thanks was delivered by Smt. Divya B (Assistant Professor, PG Department of Commerce).

SEMINARS/CONFERENCES/WORKSHOP ATTENDED:

- Dr. N. B. Sreekala, HoD, Department of Chemistry, Sree Narayana College Chathannur has attended the International Seminar on “Organic Molecules for Material Applications” organized by Dept. of Chemistry, Government College for Women, Thiruvananthapuram supported by Dept. of Collegiate Education, Govt. of Kerala from September 19-22, 2017.
- Dr. N. B. Sreekala, HoD, Department of Chemistry, Sree Narayana College Chathannur has attended the Short- term course in AECC- Environmental Studies (CBCS) under FDP for college teachers conducted jointly by the UGC- Human Resource Development Centre and Department of Environmental Sciences, University of Kerala, Kariavattom from 05-03-2018 to 12-03-2018.

Teaching is a type of profession which helps to mould young mind with knowledge and self-esteem to go beyond the limitations. Nowadays different methodologies are adopted to inculcate social and emotional skills which enables the students for facing a competing world. Orientation/refresher programmes focus on latest developments in the discipline, new & emerging trends, pedagogical improvements and methodologies for transacting revised curriculum. In the academic year 2017-2018 total number of teachers attending various professional development programme is 04. Out of these 03 faculty members undergone UGC Sponsored orientation programme and 01 of them did UGC Sponsored short-term course both conducted by UGC HRDC of University of Kerala.

6. INFRASTRUCTURE AND LEARNING RESOURCES

Sree Narayana College Chathannur is having four well equipped laboratories which include two Chemistry labs, one physics lab and one computer lab. The lab equipments are purchased by the purchasing committee based on the decisions taken by the college council on the requirement list given by the department heads. Funds from PD , management and departments are utilized for purchasing lab equipments. College laboratories are maintaining Stock registers for chemicals, equipments, apparatus and furniture, and charge of monitoring these registers are assigned to teaching staffs and periodically these registers are regularly supervised by HoD of concerned departments. Annual stock verification is done by the concerned teaching faculties in charge, and finally these stocks are verified again by other department faculties. Services of expert lab attendants are provided in all labs. Repairing, maintenance and annual calibrations of equipments are also done periodically by the external agencies. Lab rules are displayed in the laboratories for safe handling of chemicals and laboratory apparatus. Frequent maintenance of laboratories are done and is monitored by concerned department HODs.

Our college library is having a good collection of books, journals, periodicals. It is open to students and teachers from 9.am to 5 pm on all working days. Library committee help in smooth functioning of library activities. In addition to that we are utilizing the service of a library assistant for managing and distribution of library books to students, teaching and non teaching staffs. College library is using PD account for purchasing books and journals. Yearly auditing is conducted and shortages of books are being noted and the list of required books is forwarded by the concerned department HoDs to the principal, the request then forwarded to library committee for final approval. No dues certificate is mandated for students to appear for university examinations. Departments are maintaining department libraries to support students in academics. A teaching faculty of the concerned department has been given duty for managing the books and maintaining the stock register of department library

As sports and games are essential for the students, our college is giving importance to sports and games along with academic activities. We have two play grounds with

adequate facilities. Students participate in inter collegiate and university competitions. An expert physical education teacher is available in the college for guiding the students in Kabadi, badminton, volley ball etc.

Our college is providing good class room facilities to students admitted in the college. Daily cleaning is done by the sweepers appointed by the college. Repairing of electrical appliances is done periodically by external agency assigned by college management and PTA. Along with drinking water facility, water coolers are also provided to students.

7. ACTIVITIES/PROGRAMMES

To inculcate the interest in knowing one's own region, culture and traditions, the **Local History Initiative** was begun on October 25, 2017. This formed a part of the syllabus of the degree students. The event was flagged off by the Principal who emphasized on the necessity on tracing one's own roots in knowing one's own self. The students formed various batches and held a preliminary survey of the various temples and cultural centers around the college premises. The team was guided by the faculties of the department

The official inauguration of Mathematics association for the academic year 2017-2018 was conducted on 27/11/2017 at 10 am. **Mr. Christy Vargheese**, the author of the book "**General aptitude a new outlook**" inaugurated it. Our former HOD Dr. K. B. Sreekala, Principal Dr. C.S. Subhash Chandran and Dr. Manil T Mohan were present in the programme.

(Shri. Christy Vargheese Inaugurating the Mathematics Association Day)

The Net coaching cell at the Department of Mathematics SreeNarayana College, Chathannur conducted a CSIR- NET orientation class for post graduate students of Mathematics on 7/11/2017. The first session for I semester M.Sc class led by one of our faculty Salu Somanath.

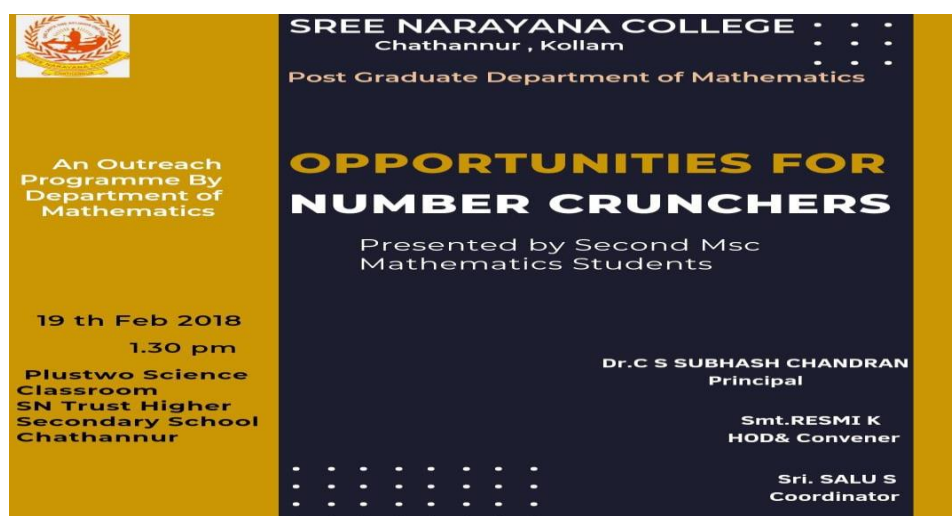

(Mr.Salu Somanath, FDP Guest Lecturer, Dep. of Mathematics handling the session)

Commerce department has launched a Quiz Forum under the leadership of the Post graduate students for the benefit of all the students of the department and it was decided to conduct a college wise quiz contest this month.

Class wise discussion forums were conducted by Commerce Department as part of student skill up gradation initiatives. The Head of the Department is the Resource person for this initiative.

Department of Commerce also organized a workshop for the students on ‘manufacturing umbrellas, paper bags and paper pen.

The Post Graduate Department of Mathematics conducted a seminar on “**Opportunities for Number Crunchers**” on 19th February 2018 @ 1.30 PM at Plus two science class room, SN Trust Higher secondary school Chathannur. It was an outreach programme presented by second year M.Sc Mathematics students for the Higher secondary students. The session informed about the variety of career opportunities that are available for Mathematics graduate. The Participants were actively involved in the interactive Session. The programme was useful for those who wish to build a career with Mathematics. Krishna R S, a plus two student carried out the vote of thanks. The effective session came to an end at 3.00 pm.

(Kum. Reshma S S, a second MSc mathematics student handling the class)

March 14 marks Pi day, an annual celebration of the mathematical constant π . March 14 was selected because the numerical date (3.14) represents the first three digits of Pi and it also happens to be Albert Einstein's birthday. We were also celebrated this day on 14.03.2018 by organizing different activities such as Quiz competition, Pi value writing competition etc. In Quiz competition, Ankitha.P from I B.Sc Mathematics got the first prize. In Pi value writing competition, Anu.B.P from II B.Sc Mathematics got the first prize.

The Post Graduate Department of Mathematics organized a Pi value competition on 22.07.2017. July 22 is Pi approximation day also known as casual Pi day. In British manner July 22 translates to 22/7 which is the fractional way how Pi is written .Hence July 22 is celebrated as Pi approximation day. The Dept of Mathematics also celebrates this day by organizing different activities such as Pi value writing competition, quiz competition, Pi day scavenger hunt etc. In quiz competition , Anooja A from III B.S c Mathematics got the first prize. . II M.Sc students conducted a scavenger hunt by hiding Pi related clues around the campus and allowing the students to search for them. In scavenger hunt - Anandhu and Akhil from II B.Com won the first prize. In pi value writing competition Roshna .L from II B.Sc mathematics got the first prize.

9. FUTURE PLANS:

- Introduce new skilled based diploma courses to build analytical and practical skills in students and equip them with the skills needed to pursue a career in this field.
- Initiate and forge ahead with the official procedures to start new UG and PG level courses as this requisite being an imperative step for the further academic development of our college.
- In order to ensure alumni support to our student in terms of career advice, guidance in internships and financial assistance, it was decided by the college committees to constitute a registered Alumni association.
- Utilize the possibilities of forming industrial collaborations, as this helps in instilling research interests in students and provide access to latest research technologies.
- Upgradation of library- To enrich our library resources it was decided to purchase more books and take initiatives to instate library management system in college library.
- Campus facility development: Installation of Solar panel, setting up of shooting range, more ICT enabled class rooms and other physical facilities.
- Provide coaching classes to PG level students in order to prepare them for UGC CSIR Examinations and other competitive examinations.
- Improve language Lab facilities
- Encourage faculties and students to associate and participate in more international and national seminars and conferences

10. CONCLUSIONS

In the academic year 2017-2018, Sree Narayana College Chathannur has successfully executed all its academic and nonacademic activities, strictly adhering to the strictures and tradition of Sree Narayana Colleges. During this year, we have organized copious seminars, invited talks, Quiz programmes on myriads of topics and introduced some new job oriented courses like certificate course in food chemistry, Data analysis etc, which are designed in such a way to infuse practical skills and domain knowledge in students. Fruits of such efforts are well effectuated in university results and in student progression towards employment and higher education. Like yester years, this year also we are blessed with a team of dedicated and hardworking students, teaching faculties, and office staffs and we consider this as the valuable asset of our institution, indubitably we presume that their continuous efforts can eventually led us to make rapid strides to success. At this juncture, we express our sincere thanks to our Manager Sri. Vellappally Natesan, Sree Narayana Trust and other managing committee members for their constant support and guidance. We also extend our thanks to all the students, teaching, non-teaching staffs for their hard work and dedication, which really helped to make each day run smoothly. We fondly remember our guiding spirit, Sree Narayana Guru for always showing us the righteous path , With gratitude to god almighty I conclude this annual report of Sree Narayana College Chathannur for the academic year 2017-2018.
