Introduction

S.N. College, Chathannur was established in the year 1981 with the vision to realize Sree Narayana Guru's thought "Become liberated through education, be enlightened". Since then, we have made it our mission to impart quality education to students as well as to equip them according to the latest requirements. The college regularly updates the teaching-learning practices and ensures maximum student participation in all other extracurricular activities. The college also promotes innovative practices despite financial and infrastructural constraints. 2018-19, like any other academic year, saw the institution taking significant steps to improve in both the academic and non-academic fields.
