INTRODUCTION:

Sree Narayana College, Chathannur established in the year 1981 aims to realise Sree Narayana Guru's Thought "Become Liberated through education, be lightened". Ever since its inception in 1981, Sree Narayana College, Chathannur has catered to the educational and intellectual needs of young men and women from the rural areas of south Kollam. The College is affiliated to University of Kerala and Ever since the inception, the institution has made an indelible impression in the realm of higher education in Kerala. Conscious of its inceptual obligation, it takes education to the doorsteps of the poor and marginalized sections of the society and endeavours to mould a humane, intellectually progressive, morally awakened and socially committed group of young men and women. The institution focusses on holistic development of our students by providing student-centric environment by motivating the weak, addressing the average and challenging the gifted to mould them into self-reliant and independent citizens. The main intention is to provide an environment that is basically sacred, within a framework of discipline that is flexible. The commitment between dedicated teachers, motivated students and enthusiastic parents is strongly encouraged and highly valued at our institution. It is affiliated to the University of Kerala, and has 12 B recognition from the UGC. It was the pioneering efforts of the founder manager late R.Sankar that realised the dream of establishing a group of institutions named after Sree Narayana Guru. This great temple of education endeavours to mould a humane, intellectually accomplished, morally awakened and socially committed fraternity of young men and women through education. Sree Narayana College, Chathannur situates at Karamcode, near to the KSRTC Bus Station Chathannur in Kollam district in Kerala. The college offers degree courses in Mathematics, Commerce, Chemistry & Industrial Chemistry and History. At the Post-Graduate level, the college offers M.Sc. Mathematics, M.Sc. Chemistry and M. Com (Finance stream). Various clubs and study centres function to encourage and nurture the aesthetic and literary talents of its members. Conscious of its inceptual obligation, it takes education to the doorsteps of the poor and marginalized sections of the society and endeavours to mould a humane, intellectually progressive, morally awakened and socially committed group of young men and women.

❖ HIGHLIGHTS OF THE YEAR:

Sree Narayana College
Affiliated to University of Kerala

Certificate Course in Spoken English (2019-20)

- Duration - 30 Hours
- Course offered by English Department
- Objective - Acquire English Language Proficiency

Register with the English
Department before 5th October

REPORT ON CERTIFICATE COURSE IN SPOKEN ENGLISH DEPARTMENT OF ENGLISH

Academic Year 2019-20

Name of the Certificate Course: Spoken English Course

English has become the 'Lingua Franca of the world. It has taken over all spheres of modern society including technology, science, and commerce. Thus, it is no surprise that English proficiency has become a desirable employability skill for everyone. Herein lies the importance of learning English as a second language. For a student, improving their proficiency in English can open up more opportunities and enhance their employability.

Given the significance of English language skills, our college offered a certificate course for Spoken English. The main objective of the course was to develop the communication skills of our students and thus make them career-ready. The classes were handled by Dr. Nisha Somarajan, Head of the Department of English and Ms. Sruthi Prabhakar.

Date of Introduction: 10/10/2019

Total Students Enrolled: 52 (2019-20)

Duration: 30 hrs

Focus Areas: The course cultivated interpersonal skills, introduced phonetics, developed vocabulary, and improved the grammatical skills of the students.

Outcome: All 52 students have completed the prescribed 30 hours of the course during the period October 2019 - November 2019.

Spoken English Course Syllabus (2019 - 2020)

- 1. Second Language Acquisition*
- 2. Sentence Construction - Types of Sentences*
- 3. Phonetics*
- 4. Basic Rules of English Grammar*
- 5. Interpersonal Skills - Language in Everyday Life*

DEPARTMENT OF HISTORY

Department of History with the support from college authorities, PTA and IQAC decided to conduct a Certificate course in Heritage Guiding and Tourism Management. Details are given below: -

REPORT ON CERTIFICATE COURSE IN HERITAGE GUIDING AND TOURISM MANAGEMENT, Academic Year 2019-2020

Within the service sector in Kerala, Tourism is singled out more than any other area to generate economic activity as well as jobs. The public and private sector can further play a large part in generating income and employments. Henceforth, the scope for skill –based, well trained, qualified youths is immensely rich. The highly literate young generation can easily harness their ability and secure jobs by receiving basic knowledge and appropriate training in Tourism.

An elementary awareness in one’s culture, tradition, and heritage, industrial skill in guiding, management marketing and work culture, communication and presentation skills etc., are a prerequisite. These will add to professionalism among the employees. Moreover, the post

Covid period is expected to cater the MSME’s and Start-up Missions , which are being greatly encouraged both by the Union and State governments. Therefore, equipping a new generation of entrepreneurs and skilled men becomes inevitable. Owing to these emerging innumerable opportunities in tourism and hospitality sectors, the students of History, Social Work, Sociology, Commerce, Economics, Languages and other disciplines has immense scope for employment in both urban and rural settings. A skilled /trained student or even laymen can thus find jobs of his / her own reducing domestic dependency and earn a decent livelihood. For a minimum waged job in Tourism and hospitality sectors, the educational qualifications are preferably a certificate / diploma/ graduation degree in any discipline, preferably art, archaeology, history and culture. Good linguistic skills, especially, verbal along with a pleasing personality and knowledge of foreign language is an added advantage. This is a growing field which offers excellent opportunities in the field of tour operations, tour-packages, sight-seeing etc. Many employment opportunities exist in this industry. Travel services including: Tour Operators, Travel Agents, Hoteliers, Restaurateurs, Transport Service Providers, Adventure and Leisure Tourism Providers, Heritage Sites and their Conservation, Manufacture and Sale of Handicraft Items, Marketing of Souvenirs etc. Besides the specialized services, there are the support services: administration in the offices, secretarial and clerical jobs. Thus, there are several visible and invisible career prospects, which can be harnessed .

Given , the relevance of the industry, the College thus offered a ‘Certificate Course in Heritage Guiding and Tourism Management’ with a larger perspective of achieving decent employment, enhance gender empowerment, learn valuable skill & communication strategies, expertise in basics of history, archaeology, art and architecture ,encouragement and creation of micro, small and medium enterprises (MSMEs) and Start –ups and the like. The Course is structured in such a way by surveying and realising the present and future needs of the targeted groups (students, youngsters and laymen) and also of the demands of Tourism industry and service sectors.

The classes were handled by Ms. Dayana, Head of the Department of History and Ms.

Shereena.

Date of Introduction: 15/10/2019

Total Students Enrolled: 40 (2019-20)

Duration: 30 hrs

Focus Areas: Heritage Studies, Tangible Heritage Resources of India & Kerala, History and Archaeology, Guides and Escorts, Skill development

Outcome: All 40 students have completed the prescribed 30 hours of the course during the period October 2019 - December 2019.

**Certificate Course in Heritage Guiding and Tourism
Management
CURRICULUM**

Module 1 : Heritage Studies

Tangible and Intangible Heritage – UNESCO and Heritage – Natural, Cultural and Mixed Heritage – World Heritage sites in India – Intangible Heritage of India -Archaeologically important Sites– Dances of India – Representative List of Intangible Cultural heritage of Humanity from India – Visual Arts of India .

Module 2 : Tangible Heritage Resources of India & Kerala

Major Temples – Palaces – Forts – Handicrafts – Craft Villages – National Parks, Wildlife Sanctuaries and Biosphere Reserves, Western Ghats; Intangible Heritage Resources of Kerala - Major Art forms.

Module 3 : History and Archaeology

History, Geography and Environment of Kerala- Archaeology – Pre- history- Megalithic Culture -Tools – Numismatics-Inscriptions-Literary Sources-Dynasties of Kerala.

Module 4 : Guides and Escorts

Tourism Definitions –Types of Tourism- Role of the Guide – Guiding as a Technique – Escorting a Tour –Travel and Tour Operations- Tour processes-Development of Tour Packages & marketing.

Syllabus for the Course

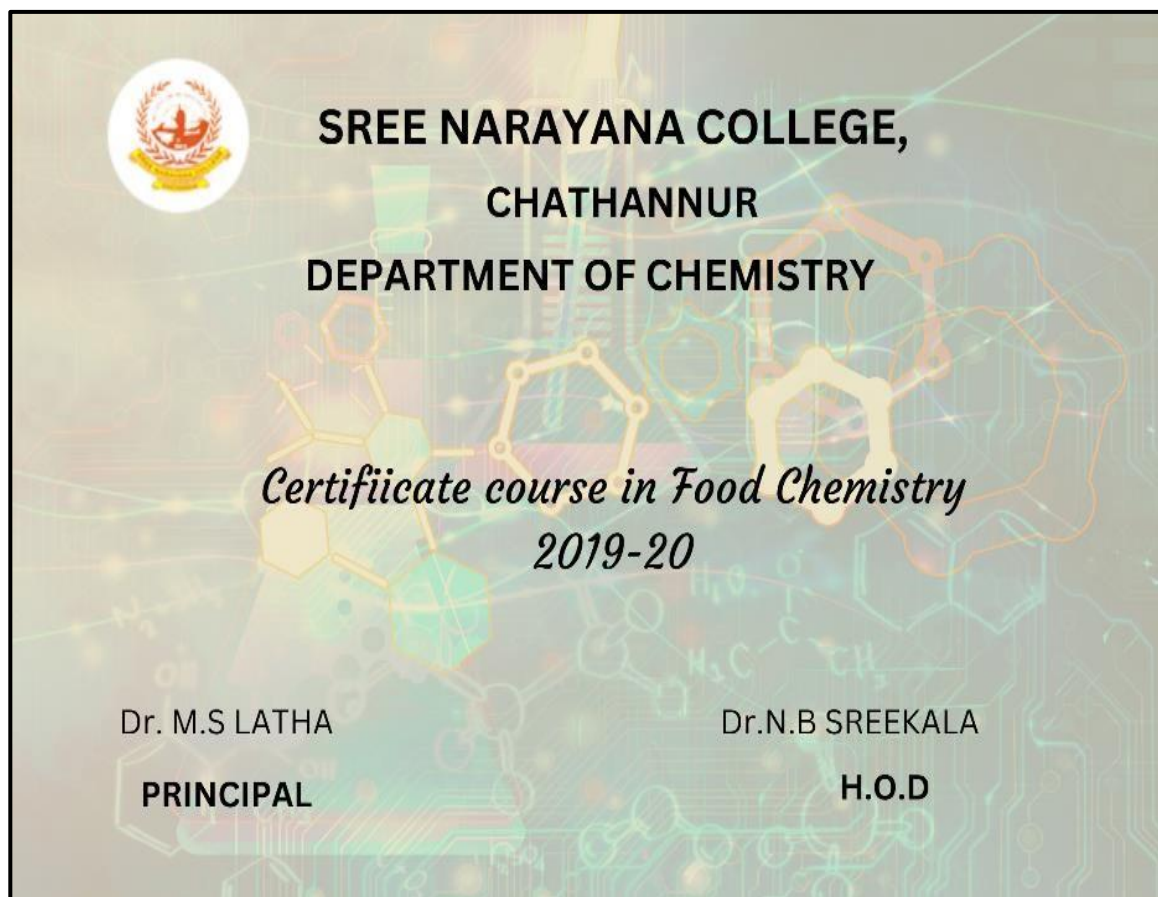

❖ DEPARTMENT OF CHEMISTRY

. **CERTIFICATE COURSE IN FOOD CHEMISTRY (2019-2020)**

Department of Chemistry enrolled its third batch students for the certificate course in Food chemistry during the academic year 2019-2020. A total of 26 students registered for the course and classes were arranged in Chemistry department. The theory

sessions and lab sessions were handled by the faculties of the department. The basics of food chemistry, pigments and flavours of food, food additives, adulteration, food packing and packaging materials, and methods of food preservation were the topics included for the course. Lab sessions were conducted at laboratory of department of chemistry and students were given hands-on practice for analysing the food quality. The course felicitated the students to gain basic knowledge in food chemistry and equipped them with the skills needed to pursue a career in this field. The students completed the course with good grades and course completion certificates were awarded to students.

DIPLOMA COURSE IN FOOD CHEMISTRY

AIM OF THE COURSE:

The aim of this course is to provide students a better understanding of food chemistry and make students competent enough to work in food related industries. This course involves the study of nature and chemical composition of food, chemistry of carbohydrates, lipids and vitamins. This also provides the students the analytical skills to assess the quality of food samples.

OBJECTIVES:

- To get familiarise with chemical nature and composition of food
- To gain knowledge on food adulterants and its identification.
- To know the chemistry of food packing materials
- To understand the methods of food preservation and its chemistry
- To equip the students with basic skills which are essential to get hired in food-based industries and food analytical labs.

SYLLABUS:

Module 1: Introduction to food Chemistry

Food Chemistry: Food additives, colouring and flavouring agents, preservatives, anti-oxidants, commonly used permitted and non-permitted food colours artificial sweeteners-taste enhancers, Health effects of fast foods, instant foods, dehydrated foods and junk foods, trans fat.

Module 2: Pigments, flavours and colours in food

Food Pigments & Flavouring Agents: Importance, types and sources of pigments - their changes during processing and storages, colours added to foods, vegetable, fruit and spice flavours, flavours of milk and meat products, effect of processing on flavour Components.

Module 3: Food Additives & Preservation

Basic concepts of additives in food, general principles for the application. Examples & role play in food processing – Preservatives, Antioxidants, Emulsifiers, Stabilizers (Thickeners), Sequestering and buffering agents, Bleaching and maturing agents, Nutrient supplements, Non-nutritive and special dietary sweeteners, Anti-caking agents, Foaming and anti-foaming agents, Leavening agents, Firming agents, Humectants and texturisers, Clarifying agents. Food preservation and methods of preservation

Module 4: Food packaging and Packaging materials

Introduction to Food packaging and Packaging materials, Food packages – bags, pouches, wrappers, tetra packs-applications. Characteristics and functions of packaging materials for different foods, Modern packaging materials and forms-Glass containers, metal cans, composite containers, aerosol containers, rigid plastic packages, semi rigid packaging, flexible packaging.

Module 5: Carbohydrates, Lipids and Vitamins

Carbohydrates - functions, source, utilization, dietary fibre and health. Lipids, Fat soluble vitamins –A, D, E and K- functions, source, requirements, deficiency disorders. Water soluble vitamins –The B-complex vitamins –Thiamine, Riboflavin, Niacin, Folic acid, Biotin, Pantothenic acid, B12 and Vitamin C - functions, source, requirements and deficiency disorders.

Laboratory Practicals:

1. Estimation of moisture content in food sample.
2. Chemical Analysis of Vitamin C
3. Determination of pH in foods
4. Estimation of Iron in Iron Supplements.
5. Detection of adulterants in various food samples

❖ **DEPARTMENT OF MATHEMATICS**

CERTIFICATE COURSE IN INTRODUCTION TO R PROGRAMMING

During the academic year 2019-20, 15 students registered for the certificate course in An Introduction to R Programming , organized by the Department of Mathematics, Sree Narayana College, Chathannur. The theory classes and practical classes were handled by Smt. Karthika V S of the department. The topics taught in the course include bar diagram, Pie diagram, histogram, mean, median, mode, correlation and regression analysis. Lab sessions were also included in the course. The course was organized for the students who have got an idea about the importance of R Programming in real world . The students completed the course with good grades and course completion certificates were distributed to students.

CERTIFICATE COURSE IN DATA ANALYSIS

During the academic year 2019-20, 23 students registered for the s certificate course in Data Analysis, organized by the Department of Mathematics, Sree Narayana College, Chathannur. The theory classes and practical classes were handled by Smt. Anjana S S of the department. The topics taught in the course include bar diagram, Pie diagram, histogram, mean, median, mode, correlation and regression analysis. Lab sessions were also included in the course. The course was organized for the students who have got interest in the data analysis field. The students completed the course with good grades and course completion certificates were distributed to students.

Principal
Dr. C S Subhash Chandran

STUDENTS ACHIEVEMENTS:

- ❖ Abhirami, an NSS volunteer of this class had participated in the one-week National Integration Camp held at Himachal Pradesh.

- ❖ Amal Krishnan, an NCC cadet of this class got recruited in Indian Army as Soldier General Duty.
- ❖ Thirty students participated in the dish wash liquid and detergent powder making training programme jointly organised by the Department and Entrepreneurship Development Club.
- ❖ The Entrepreneurship Development club in association with the Department organized an industrial visit to Industrial Estate, Umayalannor. Thirty-four students of this class got the opportunity to participate in this programme.
- ❖ Two students, Haridev.H and HariKrishnan attended the district level residential program of NSS Volunteers of Kollam District in connection with Green Campus Clean Campus Program at Don Bosco College, Kottiyam.
- ❖ Twelve students participated the seminar organised by Women Studies Unit on the topic 'Legal Awareness Programme on SAKHI ' in connection with International Womens Day, 2020.
- ❖ Students of this class used to distribute mid-day meal to Old age homes, orphanages and to Regional Cancer Center , Trivandrum on monthly basis.
- ❖ Three students had participated in the three-day Residential Volunteer Leadership Training Programme held at Kerala University Student's Centre, Trivandrum
- ❖ Five students voluntarily donated blood in the Blood Donation camp held in our College on December 11, 2019.

The total number of students studying for final year B. Com is 52 and all the students got 85% above in fifth semester examinations. Students were actively participated in the blood donation camp. Three students of the class, Manu Manikandan, Amal.S and Jayesh.J. S were selected by the Indian Army

- ❖ . The student studying in History department, Mr. Shebeeb .S got first prize for mimicry in the youth festival conducted by Kerala University also received Talent award from University

UNIVERSITY OF KERALA

(Established as University of Travancore by the Travancore University Act in 1937 and reconstituted as University of Kerala by the Kerala University Act of 1957 and presently governed by the Kerala University Act 1974 passed by the Kerala State Legislative Assembly)

DSS/Talent Award -2018-19 & 2019-20

Date: 26.08.2022

From

The Director

To

The Principal
SN College
Chathannur

Sir,

Sub: **Distribution of Talent Award for the winners of Kerala University Youth Festival, South Zone Festival, National Festival and Drama Festival - 2018-19 & 2019-20 - reg:**

I am glad to inform you that the under mentioned students of your college who were the winners (**First & Second Prizes only**) of the Kerala University Youth Festival/ Drama Festival/South Zone and National Inter-University Youth Festivals for the years **2018-19 & 2019-20** will be given Talent Awards (Cash Prize) on **15th September 2022 at 2 pm at University Senate Hall, Palayam, Thiruvananthapuram. Dr.V.P. Mahadevan Pillai, Hon'ble Vice Chancellor** has kindly consented to distribute the awards to the winners and will be the chief guest of the function. You are requested to do the needful to intimate the below mentioned students to attend the Award function.

2018-19			
Sl.No.	Name of Student	Item	Prize
1	Shebeeb. S	Mimicry (Male)	I

2019-20			
Sl.No.	Name of Student	Item	Prize
1	Sandra Dev	Stringed Instrument- Eastern Style	II
2	Shebeeb. S	Mimicry	I
		Mimicry (South Zone)	I
		Mimicry (National Youth Festival)	I
3	Shebeeb. S	Mimicry (Male)	I

Yours faithfully,

DIRECTOR

NB: The winners shall report at the University Senate Hall for registration on 15th September 2022 at 11:00 a.m.

The Department of Mathematics scored first prize in the Women Cricket match in the sports day celebration of our college.

- ❖ Sabeer .S ,II B.Sc Mathematics ,got selection in University Kabaddi team.
- ❖ Soorya.S and Minna. J , II B.Sc Mathematics bagged first prize in a Quiz competition on National Mathematics day.
- ❖ Anju Aji and Manasa .k , I M.Sc mathematics bagged first prize in a Quiz competition on Fibonacci Day.
- ❖ Kavya, II M.Sc Mathematics ,got first prize in the pi value competition.
- ❖ Akilraj and Aromal,bagged second prize in a quiz competition conducted by the college union.
- ❖ Hari. R from department of Mathematics elected as college chairman and bestowed good college union activities under his leadership.
- ❖ Many of our students participated in Pi day celebration at TKM College Kollam and Sujitha M. S from I M.Sc Mathematics bagged first prize in the Pi value competition.
- ❖ Jayalekshmi J, Class topper from M.Sc Mathematics,2020 (93.44%)
Chanchal Prasobh –Class topper from B.Sc Mathematics , 2020(86.37%).

HoD

Dr. Sreekala N. B.

Coordinator

Mrs. Muthu S.

The Science Club and Department of Chemistry, Sree Narayana College, Chathannur had jointly organized a seminar on Research Methodology titled, 'Fundamentals of Research Methodology' by Mr. Binoy S., Assistant professor, Department of Commerce, Sree Narayana College, Chathannur on 23rd November 2019 at 10.00 am. Mr. Binoy gave informative speech on Research methodology and explained the objectives and motivation of research, ethics in research, research approaches, significance of approaches, research strategy and criteria of good research in detail. The felicitation was given by Dr. Subhash Chandran C. S., principal and explained the importance of research in the present scenario. The seminar was conducted by science club members. The vote of thanks was delivered by Dr. Sreekala N. B., Head of the Department, Department of Chemistry. The seminar was attended by all the teachers, undergraduate and graduate students in the college.

The workshop started with a formal inauguration session at 10am by our principal Dr. Pradeep T . The coordinator of seminar Smt. Divya B (Department of Commerce) Welcomed all to the session. The workshop was attended by 35 students. Majority of the participants are PG Students. Vote of thanks was delivered by Smt. Biji.B (Department of Commerce). Through this workshop the students realized how to conduct analysis by using SPSS and how to interpret the result. Through this workshop the students understand how to enter data in SPSS and how to interpret the result.

**RESEARCH
METHODOLOGY**

TOPIC: Explorations in business research

RESOURCE PERSON:
Dr. Lekshmy Prasannan
Assistant Professor-Commerce
Sree Narayana College, Sivagiri Varkala

22nd May 2020 3.00pm
on GOOGLE MEET

Dr. MS Latha
Principal

Dr. Parvathy Nand & Smt. Biji B
Coordinators

The PG Department of Commerce Sree Narayana College organized a Webinar on Research Methodology titled “EXPLORATIONS IN BUSINESS RESEARCH “ on 22nd May 2020 at 3 pm via Google Meet. The resource Person of the webinar Dr. Lekshmy Prasannan (Asst. Professor, Sivagiri Sree Narayana College, Varkala). Dr Parvathy Nand welcomed the quorum and presidential address was delivered by Dr MS Latha (Principal, S N College, Chathannur). Through this webinar the students got an idea about different types of research including exploratory research, its types, importance and exploratory techniques. All the faculties & students from commerce department actively participated in the webinar. The vote of thanks was delivered by Smt. Biji B (Assistant professor, PG Department of Commerce).

ORGANIZING COMMITTEE
 Principal :
 Dr. Subhash Chandran C S
 Convener :
 Shri . Dr. Biju Sukumar
 HOD , Department of
 Physical Education
 S N College , Chathanoor.

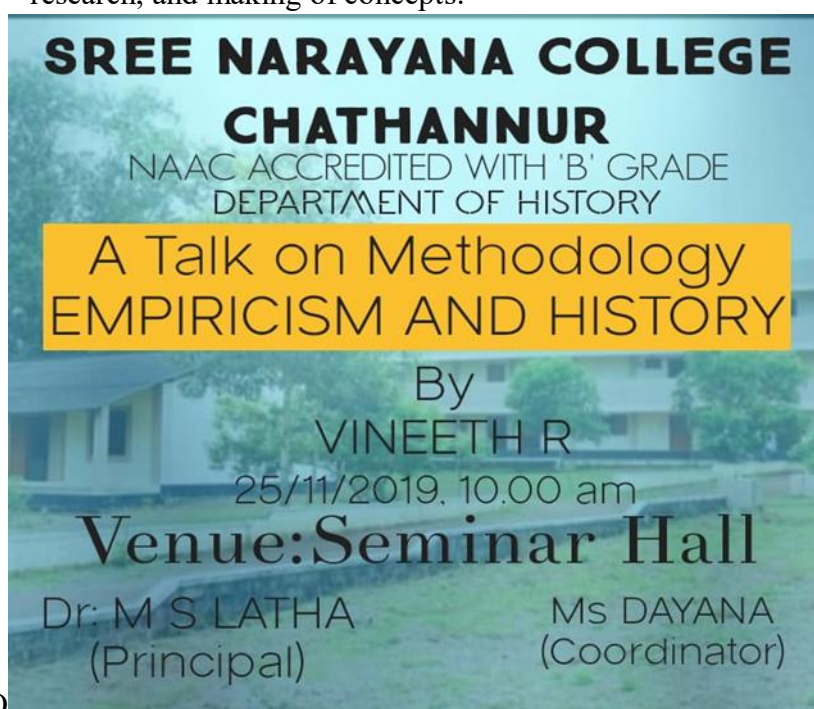

Relevance of yoga is increasing day by day. In this year International Yoga Day, one of our eminent faculty members who is well versed in this topic interacted with students and shared his recent research works on yoga. Classes were rated highly effective by the active interaction of students. Dr. Biju reveals the core idea behind the classification of body types through his patented work.

I. Tourism Industry being directly linked with the heritage and culture of a country; it becomes inevitable for the academia too to emphasise on the prospects of Tourism and its branch offs as a means of study and profession. In order to provide a firsthand knowledge on the ever relevant and growing Tourism industry, the Department of History organized a Lecture on ‘Heritage Tourism and Prospects of Tourism’ on 27 September 2019 at 10.00 am. Sri. Saroop Roy, former Coordinator of Responsible Tourism, Kerala delivered the lecture and conducted an interactive session leading to a fruitful deliberation. Principal Dr. M. S. Latha, delivered the inaugural address and Ms. Dayana. A (HoD) welcomed the gathering.

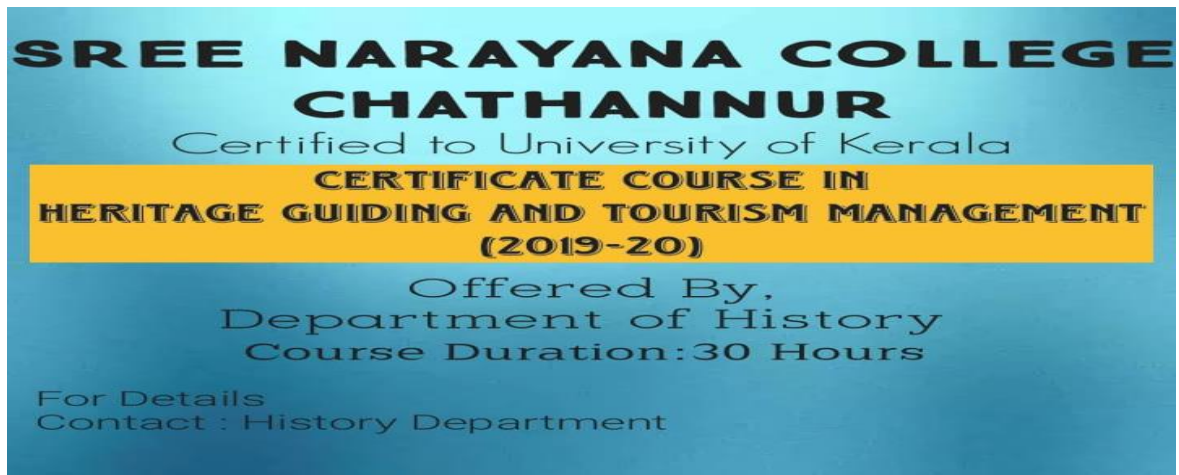

II. Seminar on Research Methodology entitled ‘Approaching Kerala History: A Researcher’s Perspective’ was held on October 30, 2019 at 10.30 am in the Seminar Hall. Professor of History, Calicut University, Dr. K. S. Madhavan lectured on the complexities of research and on the perspective of research approach that shall be taken care of by the students in doing history with special reference to Kerala History. The methodology class was in tune with the curriculum specifying on a project on Kerala History. The limitations, scope, vastness, sub fields etc of Kerala history and cultural history was focussed. Principal Dr. M. S. Latha, delivered the inaugural address and Ms. Dayana. A (HoD) gave the welcome address.

III.A Research Methodology Seminar on " Empericism and History" was conducted on 25/11.2019 at 10 am in the Department of History. Vineet R , Assistant Professor, Department of History, University of Calicut lectured on the acquisition of knowledge, evidence based research, and making of concepts.

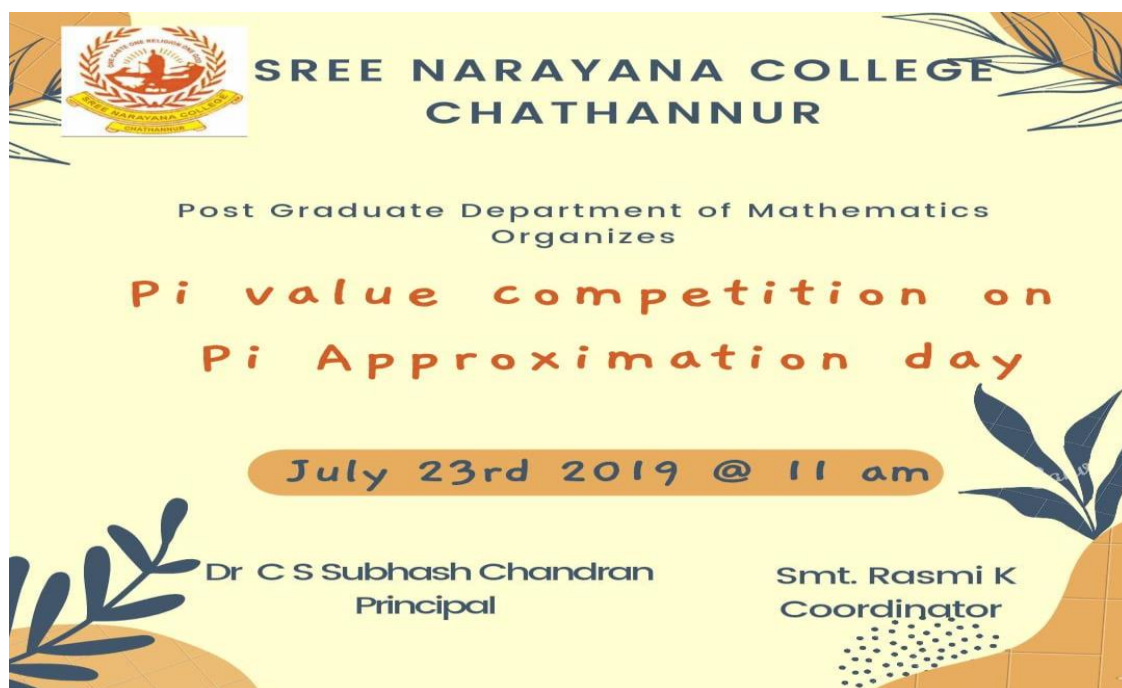

IV. Within the service sector in Kerala, Tourism is singled out more than any other area to generate economic activity as well as jobs. The public and private sector can further play a large part in generating income and employments. Henceforth, the scope for skill –based, well trained, qualified youths is immensely rich. The highly literate young generation can easily harness their ability and secure jobs by receiving basic knowledge and appropriate training in Tourism. An elementary awareness in one’s culture, tradition, and heritage, industrial skill in guiding, management marketing and work culture, communication and presentation skills etc., are a prerequisite.

V. As part of the syllabus our final year students have completed project work on local history, it actually help them to make an awareness regarding their own region and its historical relevance.

Programme – 1: Pi value competition on pi Approximation Day

The Post Graduate Department of Mathematics organized a Pi value competition on Pi Approximation Day on 23rd July 2019. The competition was conducted at the seminar hall of SN College Chathannur at 11 am coordinated by Mrs Rasmi.K, Assistant Professor of Mathematics in presence of Dr. C S Subhash Chandran, the Principal of SN College, Chathannur. Kavya, a student of II M.Sc. Mathematics won the first prize for the competition.

Programme-2: Net Coaching

The Net coaching cell at Sree Narayana College, Chathannur conducted a CSIR- NET orientation class for post graduate students of Mathematics on 13/09/2019. The first session started on 19/09/2019 by Mrs. Reeshma S, Former Guest Lecturer, Dep. of Mathematics for the first semester M.Sc. students. She discussed previous questions in the areas of Groups, Rings and Symmetric Groups of Abstract Algebra. After that she conducted classes on 10th, 23rd of October and 5th of November 2019.

Mrs. Reeshma S, Former Guest Lecturer, Dep. of Mathematics
Mrs. Reeshma S, Former Guest Lecturer, Dep. of Mathematics handling the class

In Second Semester, the NET coaching started on 06/01/2020 by Mr. Varun Bose C.S, Guest Lecturer, Dep. of Mathematics and discussed the previous questions in the in the areas of Matrices, properties of Determinants, Eigen Value and Eigen Vector of Linear Algebra. After that he conducted classes on 28th of January, 17th of February.

Programme-3: Two-day Workshop on “Foundations on Functional Analysis”

SREE NARAYANA COLLEGE
CHATHANNUR, KOLLAM
(Department of Mathematics)

Mathematics Enrichment Programme for Graduate Students
Workshop on
Foundations of Functional Analysis

Sponsored by IMRT
(On 25/10/2019 & 26/10/2019)

Programme Schedule

(25/10/2019)	
9.15am :	Prayer
(9.20am) Welcome Speach :	Smt.RANI RAJEEVAN,HOD, Dept. of Mathematics
(9.25am) Lightning the Lamp & Inaugural address :	Dr. CS Subash Chandran Principal
(9.30 to 9.40am) Felcitation :	1. Dr.MG BIJU, HOD Dept. of Commence. 2. Dr.NB SREEKALA, HOD Dept. of Chemistry. 3. Mr.M KIRAN MOHAN, Staff Association Secretary 4. Dr. BIJU SUKUMARAN, PTA Secretary
(9.40am) Vote of thanks :	RASMI K Assistant Professor, Dept. of Mathematics.
(9.45 to 11.15am)Session(I) :	Dr.AR RAJAN, Former Professor & head. University of Kerala.
(11.15 to 11.30am) :	Tea Break
(11.30 to 1.00pm)Session(II) :	Dr.MANILAL,Asst.Professor University Collage,Thiruvananthapuram.
(1.00 to 1.30pm) :	Lunch Break
(1.30 to 3.00pm)Session(III) :	Mr.ASHOK KUMAR MG, Asst.Professor SD Collage,Alappuzha.
(26/10/2019)	
(9.30 to 11.00am)Session (I) :	Dr.MANILAL,Asst.Professor University Collage,Thiruvananthapuram.
(11.00 to 11.15am) :	Tea Break
(11.15 to 1.00pm)Session(II) :	Dr.MOHANDAS JP University Collage,Thiruvananthapuram.

The Department of Mathematics organized a two- day workshop on “Foundations of Functional Analysis” (sponsored by IMRT) on 25/10/2019&26/10/2019. There were three sessions on the first day. The first session was led by an eminent professor Dr. A R Rajan, Former Professor & head, University of Kerala. Teachers, students from our college and other colleges had been a part of this session and all the participants had a wonderful experience. Participants got inspired from his talk and placed a very active interactive session. A total of 50 participants attended the session. The second session was led by eminent professor Dr Manilal, Asst. Professor, University college Palayam. The session introduced the basic concept of Functional Analysis. The session was very useful to the M.Sc students. The participants were actively involved in the end session of the interactive session. A total of 48 students participated in the programme. The last session was done by Mr. Ashok Kumar M G, Asst. Professor SD College, Alappuzha. There were two sessions on the second day. These were led by Dr Manilal, Asst. Professor, University college Palayam and Dr Mohandas J. P, Asst.Professor, University College, Palayam respectively. Overall, the workshop was a fruitful experience for students.

Programme-4: Certificate Course on Introduction to R- Programming

R is an open-source programming language that is widely used as a statistical software and data analysis tool. R generally comes with the Command-line interface. R is available across widely used platforms like Windows, Linux, and macOS. Also, the R programming language is the latest cutting-edge tool. So, in the current academic year we started our Certificate course in **Introduction to R Programming** on **5.11.2019**. It was officially inaugurated by our Principal Dr. C S Subhash Chandran. Smt. Anjana S S, Faculty in Statistics has led the classes **from 5.11.2019 to 14.01.2020** and the examination was conducted on **21.01.2020** at the computer lab. A total of 15 students were registered in the said programme. All of the students completed the course successfully.

The Department of Mathematics organized a One-day workshop on “**Importance of CAS in Mathematical Computations**” on **20.11.2019** at 10.00 am. The workshop was inaugurated by principal Dr. C.S. Subhash Chandran. **Sri. Mahesh Kumar V, Assistant Professor, Dep. of Mathematics, SNCW, Kollam** was the invitee to the workshop. This workshop has two stages. Initially, he taught the basic usage of the well-known Python based CAS - Sage with sage notebooks and Jupyter notebook. In the second part he discussed some programs on applied mathematics such as calculus, applied linear algebra, numerical methods on differential equations & plotting of functions. Throughout the workshop students did all

the programs as per the instructions of the speaker. A total of 46 students attended the workshop.

Sri. Mahesh Kumar V, Assistant Professor, Department of Mathematics, S N College for Women, Kollam engaging the workshop session

Programme- 6: Mathematics Quiz Competition

As part of Fibonacci day celebration on 25th November, 2019 Department of mathematics arranged a quiz competition among students. All the students participated very actively in this competition. This programme helped to create a healthy competition among students. **Anju Aji** and **Manasa k** from first year M.Sc Mathematics students got the first prize.

"DATA ANALYSIS"**

Department of Mathematics (2019-20)

Course coordinator: Anjana S S

Contact no: 8848652826

Principal

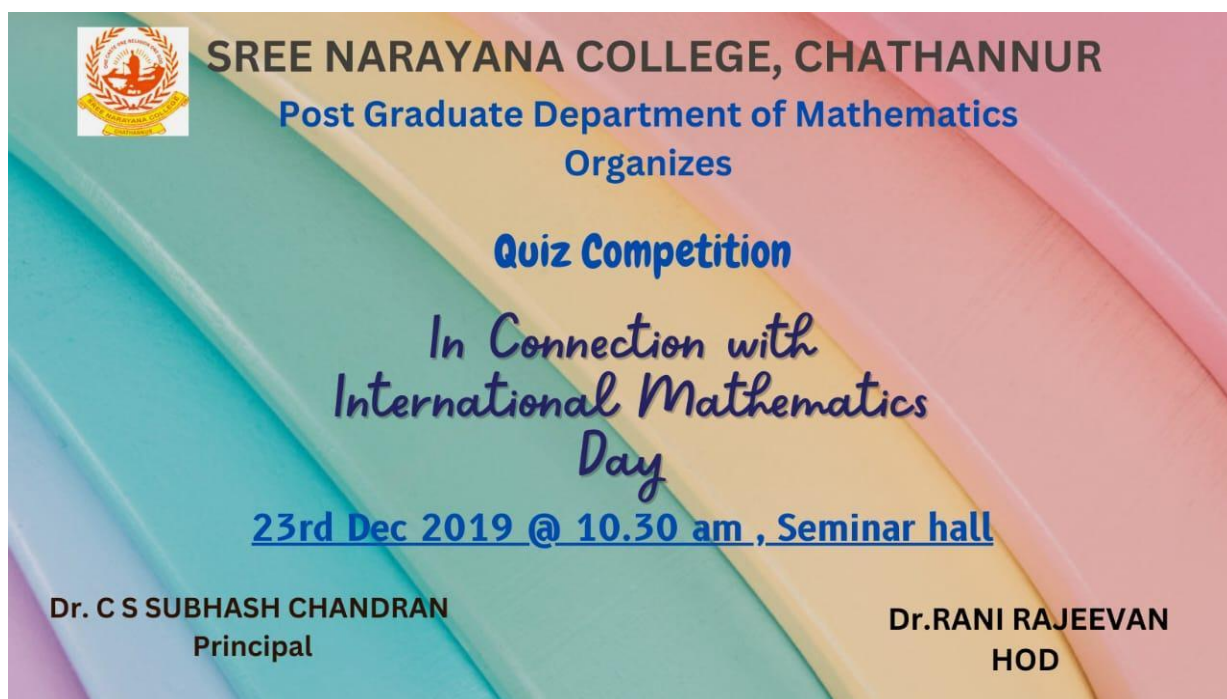

Dr. C S Subhash Chandran

Data analysis is the process of collecting, modeling, and analyzing data using various statistical and logical methods and techniques. Businesses rely on analytics processes and tools to extract insights that support strategic and operational decision-making. Nowadays, data is collected at various stages of processes and transactions, which has the potential to significantly improve the way we work. However, to fully realize the value of data analysis, this data must be analyzed in order to gain valuable insights into improving products and services. So, in the current academic year we started our Certificate course in **Data Analysis**

on 02.12.2019. It was officially inaugurated by Dr. C S Subhash Chandran, Principal, S N College, Chathannur. Smt. Anjana S S, Faculty in Statistics has led the classes from 02.12.2019 to 3.02.2020 and the examination was conducted on 09.10.2020 at the computer lab. A total of 23 students were registered in the said programme. All of the students completed the course successfully.

Programme – 8: Mathematics Quiz Competition

As part of National Mathematics Day celebration, the B.Sc Mathematics students of the Department of Mathematics organized a Quiz competition on 23rd December 2019 at 10.30 am at the seminar hall of the college. All the students actively participated in this competition. A total of 25 students participated in the programme. This programme helped to create a healthy competition among students. **Soorya .S** and **Minna. J** from second year B.Sc Mathematics students got the first prize.

The poster features a colorful background with diagonal stripes in shades of blue, green, yellow, and red. In the top left corner is the college's logo, which includes a book and a lamp. The text is centered and reads: 'SREE NARAYANA COLLEGE, CHATHANNUR' in bold black letters, followed by 'Post Graduate Department of Mathematics Organizes' in blue. Below that is 'Quiz Competition' in blue, and 'In Connection with International Mathematics Day' in a dark blue script font. The date and time are given as '23rd Dec 2019 @ 10.30 am, Seminar hall' in blue. At the bottom, the names and titles of the Principal and HOD are listed in black.

Classroom,
SN Trust Higher
Secondary
School, Chathannur

Dr.LATHA M S Principal	Dr.RANI RAJEEVAN HOD&Convener	Smt RASMI K Coordinator
----------------------------------	---	-----------------------------------

The Post Graduate Department of Mathematics conducted a seminar on “**After Graduation in Mathematics. What’s next?** ” on 17th January 2020 at 2.30 PM at Plus two science class room, SN Trust Higher secondary school Chathannur. It was an outreach programme presented by second year M.Sc Mathematics students for the plus two pass out students. The session apprised a wide range of career opportunities that are available for Mathematics graduates. The Participants were actively involved in the interactive Session. The hearing was effective to those who plan to start a career with Mathematics. The effective session came to an end at 3.30 pm.

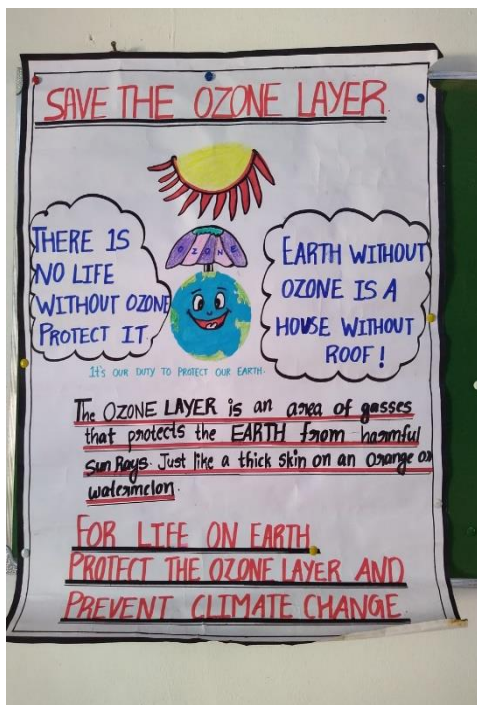

- World Environment Day Celebrations, June 2019

The theme of the year was “Beat Air Pollution”. In connection with World Environment Day 2019 a seminar on “Air Pollution” was conducted on 21-06-2019, sponsored by Kerala State Council for Science Technology & Environment. The seminar was handled by Dr. Shalom Gnana Thanka V, Professor, Department of Environmental Science, University of Kerala, Karyavattom. Along with the seminar, paper presentation was conducted which was actively participated by the students.

- World Ozone Day Celebrations, September 2019

In connection with the World Ozone Day, a poster presentation competition was conducted on 16-10-2019.

- Campus cleaning

The students of first year Industrial Chemistry took part in campus cleaning session held on 07-12-2019.

- As a part of the curriculum, our final year students carried out project work at KMML, Kollam, Travancore Titanium products Ltd, TVM.

- National Science Day Celebrations, February 2020

In connection with the National Science Day, a quiz competition was successfully conducted on 28-02-2020 with the participation of students from all the semester of our department.

- Societal Awareness Programme

An awareness programme on the outbreak of novel coronavirus for the society was executed by the department. About 10 students of first year accompanied by 2 tutors; Dr. Vidhya R V and Dr. Soumyamol S visited the nearby households on 03-02-2020.

- In the view of outbreak of novel coronavirus, the teachers of our department; Ms. Muthu S, Dr Vidhya R V and Dr Soumyamol S, produced sanitizers for the students of our college. It was handed over to our Principal, Dr M S Latha.

6. INFRASTRUCTRE AND LEARNING RESOURCES:

In terms of infrastructure and learning resources, the institution is having well equipped laboratories which comprises of two Chemistry labs, one physics lab and one computer lab. All the necessary and supportive lab equipment are purchased by the purchasing committee based on the decisions taken by the college council on the requirement list given by the department heads. The funds for the purchase were released from PD, management and

departments. Proper stock registers are maintained for registering chemicals, equipment, apparatus and furniture. The lab in charge is assigned to the concerned faculty of each department and HODs will periodically monitor and verify the same. Annual stock verification is done by the concerned teaching faculties in charge, and finally these stocks are verified again by other department faculties. Services of expert lab attendants are provided in all labs. Repairing, maintenance and annual calibrations of equipments are also done periodically by the external agencies. Lab rules are displayed in the laboratories for safe handling of chemicals and laboratory apparatus. Frequent maintenance of laboratories is done and is monitored by concerned department HODs. The well-stocked College Library has a property counter, librarian's room, circulation (Issue/Return) counter, Online Public Access Catalogue, Processing etc and well portioned with a Text-Book Section, Periodical Section and with reading room facility. An e-library facility having a 1000 Mbps internet bandwidth to access e-journals through INFLIBNET and N-LIST, Reference Section, Book Bank. College library is using PD account for purchasing books and journals. Yearly auditing is conducted and shortages of books are being noted and the list of required books is forwarded by the concerned department HoDs to the principal, the request then forwarded to library committee for final approval. Our college has a well-maintained campus which spreads over 28 acres of serene green land. The students actively participate in sports and cultural activities simultaneously and are awarded and rewarded. The well-equipped Sports room enabled students to play in door games like chess, caroms etc., and a seminar hall to do meditation and yoga and enough practical outdoor sessions such as shuttle badminton, volley ball etc. We have two play grounds with adequate facilities.

The college is also having Hostel facilities with well-furnished to the hostellers. The Separate wash rooms for girls, students and staff members, Quarter for Peon-cum-watchman., Fire extinguisher. The other facilities include clean drinking water facility, Suggestion Box/Complaint Boxes, Inverter/UPS facility, separate Hostel for girls like Mess, Generator Backup, Water Cooler with purifier, WI fi, Solar System, reading room, Visitors room, Proper waste management system, recreation room for playing chess, carom Board etc

7.ACTIVITIES /PROGRAMS

WORLD YOUTH SKILL DAY

The ASAPIans of SN College, Chathanoor had celebrated World Youth Skill day on 20th July 2019. Several programmes were scheduled and conducted successfully on the day. The motivational class handled by Mr. Sinu Mon, ex- student and chairman of the college was quite inspiring and informative among students. A mime was performed by the students with the theme of over use of mobile phone among youth. A skill exhibition was also organised in connection with skill day programme which comprises of poster presentation, glass paintings, pencil drawings, crafts work by students.

Sri. Sinu Mon handling the motivational class for students.

Mime programme by students – theme, “Overuse of mobile among students.”

Pencil drawings and crafts of ASAP

Poster presentation of ASAPians on skill day presentation

A TRIBUTE TO THE MISSILE MAN OF INDIA- DR.A.P.J. ABDUL KALAM

The ASAPians of SN College, Chathanoor had conducted a tribute to Dr.A.P.J.Abdul Kalam on 27th July 2019 in memory of his 4th death anniversary. Miss. Anjana.A., second year students of commerce department delivered a talk about the iron man. As part of programme a poster presentation of the great personality Dr.Abdul Kalam were also organised by the students of ASAP. Students paid their tribute by lighting a lamp for one minute. The programme was welcomed by Gokul J.S. and inaugurated by Smt. Parvathy Nand, Co-ordinator of ASAP. Smt.Swathy Ajay Programme manager of ASAP SDC, Chathanoor and Smt. Aswathy T Mohan, SDE of ASAP gave the felicitation for the day. The vote of thanks session was given by students.

9.FUTURE PLANS:

- Introduction of new skill-based diploma and certificate courses for the students and equip them with the skills needed to pursue a career in this field.
- Applying for new UG and PG courses
- Registration of Alumni Association
- Signing of MOUs with industries.
- Fully automation of Library
- Campus facility development: Installation of Solar panel, setting up of shooting range, more ICT enabled class rooms and other physical facilities.
- Provide coaching classes for competitive examinations to PG level students in order to prepare them for UGC CSIR Examinations and other competitive examinations.
- Initiation of Language Lab Facilities
- Organising National, International seminars, Workshops.
- Encourage faculties and students to associate and participate in more international and national seminars and conferences

10.CONCLUSIONS:

During the academic year 2019-2020, the college has successfully functioned and executed all the academic, non-academic, extension activities, as per the byelaws, policy and traditions of Sree Narayana Colleges. Numerous programs, invited talks, webinars, quiz programs, career guidance program applying for new course were done in the year. It is analysed that the university results were in a satisfactory status and progression of students to higher educations were enhanced and resulted to employment. The faculties also participated in sort term courses, refresher courses etc during the year. The support from non-teaching staff of the college also helps to upgrade the activities of the in an exorbitant manner. On this occasion, we express our sincere thanks to our respected Manager Sri. Vellappally Natesan, Sree Narayana Trust and other managing committee members for their constant support and guidance and extend our esteemed thanks to all the students, teaching, non-teaching staffs for their hard work and dedication, which really helped to make each day run

smoothly. Taking this into account, I conclude the annual report of 2019-2020 of Sree Narayana College Chathannur.
