

# **ANNUAL REPORT**

## **2017 – 2018**

National service scheme was introduced in 1969 with the primary objective of developing personality and character of student youth through voluntary community service. Two NSS Units of 200 volunteers are functioning in our college. Volunteers have organised many activities inside and outside the college during the year to accomplish the goals with one mind. Volunteering for various task under NSS allow students to become confident, develop leadership skills and learn about different people from different walks of life. The GURU ARUL initiative of our college assists in guiding the NSS volunteers to various activities that appear to be pertinent to the current situations and that contribute to the student's overall development Blood Donation was the most prominent among the activities organised by NSS. Two blood donationcamp were organised in the college in association with IMA. Volunteers have gone to many hospitals at Kollam for blood donation in emergency situations. We have received certificate of appreciation from IMA for organising more blood donation camps. Many activities related to agriculture were organised in the college to make young generation more familiar with agriculture and to promote them. We arranged seminars to educate the volunteers about the significance of important days such as Independence day, Gandhi Jayanthi, AIDS day, NSS day, Women's day etc. Leadership and motivation classes were also organised for the personality development of volunteers. In addition to these, many diverse programmes were organised to energise the young generation and make them more committed.

# International Yoga Day

# International Yoga Day

**NSS units observed the International Yoga Day in association with JCI Kollam. The dignitaries sensitized the students about the importance of Yoga Day. A demonstration class was also organized.**
