ANNUAL REPORT

2018- 2019

The NSS units of the college carried out several activities both inside and outside the college during the academic year 2018 – 2019. The NSS volunteers of our college under the guidance of GURU ARUL participated in numerous flood related activities. The volunteers stayed at the relief camps day and night and engaged in sorting and packing of medicines, essential items etc. As per the instructions from NSS cell of Kerala University, Programme Officers of the college coordinated the activities. Volunteers and Programme Officers frequently visited the relief camps and gave physical and mental support to the victims of the flood. At the time of flood our college also started a unit to collect essential commodities and finally handed over it to the District Collector in the presence of the principal. Our NSS volunteers also volunteered to do the cleaning work in the affected areas as part of rehabilitation of the victims . During the academic year, two blood donation camps were organised in the college in association with IMA Kollam. Volunteers participated in the paddy harvest at the adopted village along with village members gave a new experience to them. A small vegetable garden has been prepared in our college in association with Krishi Bhavan, Chirakkara. Panchayath president, agriculture officer, teachers and non teachers participated in the inauguration ceremony. Volunteers were divided into groups and assigned the responsibility of the day to day maintenance of the farm. A unit called greenbelt force was started with the aim of maintaining the cleanliness of the college campus and named later as GURU ARUL SENA. The SENA sensitised the students about the disposal of food waste and classroom cleanliness. As part of palliative care, volunteers visited old age home, Karunalayam and provided all palliative care assistance to the deserving. Medical camps were organised by involving the students of the college and village members. The ‘Nanmmamaram’ scheme which was started with the objective of feeding RCC patients once in a month is running successfully. As part of the social survey volunteers visited adopted village and collected information through interview schedule. Annual seven day camp was organised in the month of December at Uliyanadu school. In the following months too, NSS organised many programmes with the co operation of volunteers.
