## **ANNUAL REPORT**

### **2018-19**

In August 2018 the Red Ribbon Club of the college organised a blood donation camp in association with NSS and IMA. Volunteers, teachers and non teachers donated blood in the camp. Many of the students who came forward as volunteers were unable to donate blood due to some physical problems. The doctor advised such students to improve their health for donating blood in future. The club organised AIDS day programme in association with NSS during the month of December. A seminar was organised as part of the program and finally volunteers participated in the AIDS day pledge.

## **ANNUAL REPORT**

### **2019-20**

Red Ribbon club of the college has organised two blood donation camps in association with Paripally Medical College during the year 2019-2020. Many volunteers donated blood and made the camp more active with their volunteer ship. Volunteers of our college have gone to many hospitals for blood donation in many emergency situations and we have a long standing relationship with all Kerala Blood Donors Society, An awareness class related to AIDS was organised for students on AIDS day .Renowned psychologist Dr. Shinudas led the class. Volunteers also organised a lunch distribution programme with the aim of delivering mid day meals to patients of several hospitals in Kollam and Thiruvananthapuram districts.
