Sub: Requisition for syllabus revision reg-
Sir,

We would like to bring to your kind attention a grievance - our Chemistry and Industrial Chemistry course (Career related) students have raised regarding the hectic syllabus structure of their subsidiary Mathematics papers in the first four semesters. We found that the grievance put forwarded is genuine since Mathematics background is not at all mandatory for the admission to this course. Hence those students who haven't learnt mathematics in their Higher secondary course have a very tough time, since the syllabus is quite similar to the Mathematics main students. So, considering the above situation as genuine we would like to request you to resolve the problem by revising the syllabus at the earliest.

Thanking you

Chathannur
30.04.2022

Yours faithfully

Dr. Rani Rajeev HOD
Dept. of Mathematics
