The PG Department of Commerce, SN College, Chathannur had initiated and organised a one-day workshop on Data Analysis on Selected Multivariate Methods on 23rd March 2022 at 10.00 am. The coordinator of the program Smt.Biji.B. commenced the program with a silent prayer and welcomed the quorum. The invited resource person to the program is Dr.Vishnu .S, Assistant Professor in Commerce. The session highlights the Dependence and Independence Techniques for the research studies and discussed the means of evaluating the multiple variables to identify the possible association among them. It also focussed on eleven multivariate analysis techniques such as Initial Step—Data Quality, Multiple Regression Analysis, Logistic Regression Analysis, Discriminant Analysis, Multivariate Analysis of Variance (MANOVA), Factor Analysis, Cluster Analysis, Multidimensional Scaling (MDS), Correspondence Analysis, Conjoint Analysis, Canonical Correlation, Structural Equation Modelling and its applicability. The session was ended with vote of thanks delivered by Dr.Parvathy Nand, Assistant Professor in Commerce. A total of 49 students participated the seminar .

--	---	-----------------------------------

The Post Graduate Department of Mathematics in Association with IOAC, S N College Chathannur conducted a webinar on “Research **Methodology**” on 18th March 2022 at 7 .30 pm via Google Meet. The aim of the webinar was to provide awareness about the concept of Research Methodology. The session started at 7.30 pm. Welcome speech was delivered by the convener Dr Rani Rajeevan, HOD, Department of Mathematics. The session was presided over by Dr. M.S Latha, Principal, S N College, Chathannur. The class was handled by Dr. N. Suresh Babu, Associate Professor & Research Guide, Department of Mathematics, University College, Thiruvananthapuram. There were 25 participants in the webinar. The aim of the webinar was well achieved. The session was very useful to those who wish to be in research fields, and they got an insight in the concept of research methodology. Students shared their experiences. The participants were actively involved at the interactive session. Dr. N. B. Sreekala, IQAC coordinator delivered the vote of thanks. The effective and informative session came to an end at 8.30pm.

PLAGIARISM: BIASING AUTHENTIC KNOWLEDGE

A seminar on Research Methodology entitled ‘Plagiarism: Biasing authentic Knowledge’ was held on February 16, 2022 in the Seminar Hall at 10.30 am. The focus of the seminar was Plagiarism and its implications to real knowledge transmission. Dr. Shihabudeen.T.P, Assistant Professor, School of Distance Education, University of Calicut lectured on the ethics in research, types of plagiarism, impediments to research , plagiarism checkers and how it affects knowledge transmission. The seminar was pertinent as plagiarism is frequent in research in various forms. Dr. Ardra.S , HOD delivered the welcome address and Principal Dr.M.S. Latha, inaugurated the session.

AN OUTLOOK OF INTELLECTUAL PROPERTY RIGHTS

SREE NARAYANA COLLEGE, CHATHANUR
 Affiliated to University of Kerala, TVM
 NAAC Accredited with 'B' Grade

About the webinar
 Everyone has their own ideas, inventions, innovations in their mind. When the idea comes into reality it is to be protected, secured and personalised. IPR is the strategic move that every one can access for the success. They are the legal rights that protect creations and/or inventions resulting from intellectual activity in the industrial, scientific, literary or artistic fields which commonly include patents, copyrights, marks and trade secrets. The webinar is intended to provide an outlook and awareness of IPR among the students, faculties and general public. An interactive session is also scheduled for the session.

**UNDERSTANDING RESEARCH VARIOUS WAYS OF
APPRECIATING HISTORY AND THE APPLICATION OF
METHODOLOGY IN WRITING PROJECT**

An Online Webinar on Research Methodology was held on July 20, 2020 at 11.00 am, for the benefit of students in doing history. Being a part of the curriculum, the webinar was intended to provide an overall view of writing a proposal and project sticking within the ambit of scientific writing. Dr.Vysakh.A.S, Assistant Professor and Research Supervisor, SN College, Chempazhanthy lectured on ‘Understanding Research’-various ways of approaching history and the application of methodology in writing projects/ dissertation/ theses. Students were prompted to clarify their doubts in doing projects, how to approach it and putting them to pen. Dr.Ardra.S delivered the welcome address and Principal Dr.M.S. Latha, delivered the inaugural address wherein the latter stressed the student’s/ researchers’ obligation to stick on to research methods and ethics.

The Post Graduate Department of Mathematics conducted a one- hour webinar on " HOW TO START A RESEARCH WORK" on 16thJanuary 2020 at 03.00pm in the seminar hall. Smt. Rasmi. K , the HOD in charge of department of Mathematics ,delivered the welcome speech. The presidential address was delivered by Dr. C.S Subhash Chandran, Principal in charge of the college. Very effective and informative session was done by Dr. Mathew Varkey T.K, As sociate Professor, Department of Mathematics TKM College of engineering Kollam. The session introduced the values of research and some essential ideas for good research work. The session was very useful to those who wish to be in research fields and to those who aim for their doctorates. The participants actively involved in the end session of interactive session. A total of 48 students participated in the program . The vote of thanks was delivered by Sri. Salu, Assistant Professor in Mathematics. The webinar came to end at 4.15pm.

How to Start Research Work

- While enrolling for PhD one has to select a good supervisor for guiding the research work. Supervisor should be an active researcher with good number of publications like books and research papers etc.
- Citations of the publications of the Supervisor
- <https://scholar.google.com/citations>

HANDS ON TRAINING ON SPSS

The Core objective of the workshop was to equip the graduate and post graduate students with set of skills and potentiality to undertake the research very effectively in the discipline of commerce and to turn completed projects in to publishable material of high quality in the form of articles, journals, and book. The workshop is designed to offer practical guidelines and direct the students through all stages of research from identifying a research problem to the submission of project. The workshop consist of theory and practical.

The workshop started with a formal inauguration session at 10am by our principal Dr. Pradeep T . The coordinator of seminar Smt. Divya B (Department of Commerce) Welcomed all to the session. The workshop was attended by 35 students. The majority of the participants are PG Students. The vote of thanks was delivered by Smt. Biji.B (Department of Commerce). Through

this workshop the students learned how to conduct analysis by using SPSS and how to interpret the result. Through this workshop the students understand how to enter data in SPSS and how to interpret the result.
