

SREE NARAYANA COLLEGE, CHATHANNUR

AQAR 2023-2024

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.5 – Internal Quality Assurance System

6.5.2 – The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Outcome-Based Education (OBE)

In alignment with the University's shift to Outcome-Based Education (OBE), the college has undertaken a pedagogical transformation in curriculum delivery. To ensure effective implementation, the IQAC organized two workshops for faculty members. The first workshop focused on the significance of OBE being SMART (Specific, Measurable, Achievable, Relevant, Time-bound) and introduced the revised Bloom's Taxonomy for curriculum and question paper design. The second workshop aimed at revising the Programme Specific Outcomes (PSOs) set by the departments to incorporate the college's vision and mission. It also focused on creating Course Outcomes (COs) for all courses, mapping PSOs and COs both qualitatively and quantitatively, and developing assessment tools based on this mapping.

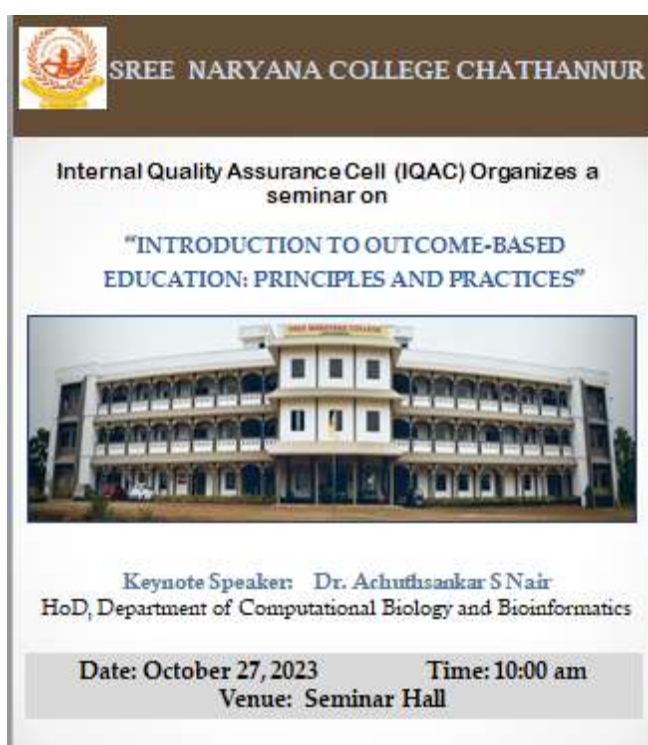

OUTCOME BASED EDUCATION SEMINAR ORGANIZED BY IQAC "INTRODUCTION TO OUTCOME-BASED EDUCATION: PRINCIPLES AND PRACTICES" ON 27.10.2023

The Internal Quality Assurance Cell (IQAC) of Sree Narayana College, Chathannur, organized a seminar on Outcome Based Education titled "**Introduction to Outcome-Based Education: Principles and Practices**" on October 27, 2023. The seminar aimed to introduce the participants to the principles and practices of Outcome-Based Education (OBE) and its significance in the current educational scenario. The keynote speaker for the seminar was a renowned expert, Dr. Achuthsankar S. Nair, HoD, Department of Computational Biology and Bioinformatics. The event commenced at 10:00 am, beginning with a prayer rendered by our students. Principal Dr. Amjith then delivered the inaugural address and formally launched the seminar, which was further facilitated by a insightful talk from Dr. Sreekala N.B., HoD, Department of Chemistry.

Dr. Achuthsankar S. Nair, an expert in the field of education, began the seminar by explaining the concept of OBE and its importance in ensuring that students achieve specific learning outcomes. He emphasized that OBE is a student-centered approach that focuses on what students can do after completing a program, rather than just what they know. The resource person elaborated on the key principles of OBE, including: Clear and specific learning outcomes, Alignment of curriculum and assessment with learning outcomes, Focus on student-centered

learning and Emphasis on continuous assessment and feedback Dr. Nair also discussed the benefits of OBE, including improved student learning outcomes, enhanced employability, and better accountability. He highlighted the challenges of implementing OBE, including the need for faculty development, curriculum redesign, and assessment reform.

The interactive session encouraged participants to share their thoughts and experiences, fostering a collaborative and insightful discussion. The seminar concluded at 12.30pm, with a vote of thanks by Dr. Parvathy Nand, HoD, PG Dept. of Commerce.

CO-PO MAPPING WORKSHOP ORGANIZED BY IQAC
“CO-PO MAPPING: A TOOL FOR ENHANCING STUDENT
LEARNING OUTCOMES”
ON 08.12.2023

The Internal Quality Assurance Cell (IQAC) of Sree Narayana College, Varkala, organized a workshop on "**CO-PO Mapping: A Tool for Enhancing Student Learning Outcomes**" on 08.12.2023, with the aim of enhancing the teaching-learning process and improving student learning outcomes. Dr. Amjith, Principal, Sree Narayana College, C delivered the welcome speech, setting the tone for the workshop and emphasizing the importance of CO-PO mapping in ensuring quality education. The workshop, which was attended by faculty members from various departments, was handled by Dr. Soju S., Head of the Commerce Department, S.N. College Vakala who is an expert in the field of Outcome-Based Education (OBE).. Dr. Soju provided a comprehensive overview of CO-PO mapping, its importance, and its application in curriculum design and development. The participants were taken through a step-by-step process of mapping Course Outcomes (COs) with Program Outcomes (POs), and were provided with hands-on experience in developing CO-PO maps. The workshop also emphasized the need for continuous

assessment and feedback in ensuring that students achieve the desired learning outcomes. The participants actively engaged in discussions and shared their experiences and challenges in implementing CO-PO mapping in their respective departments. The workshop concluded with a vote of thanks proposed by Dr. Divya V., IQAC Coordinator, who expressed gratitude to Dr. Soju for his informative and engaging session, and to the IQAC for organizing the workshop.

Innovation and Entrepreneurship Development Centre

Encouraging innovation and entrepreneurship is crucial in bridging the gap between education and real-world application. The college supports young innovators through various initiatives, such as the establishment of the Idea Innovation Centre, orientation programs, invited talks, and the formation of the Innovation and Entrepreneurship Club. Additionally, the IQAC played a key role in fostering entrepreneurial spirit among students by supporting the creation of clubs and centers dedicated to innovation. These efforts aim to not only benefit the institution but also contribute positively to society at large.

ENTREPRENEURSHIP DEVELOPMENT CLUB 2023-24

The Entrepreneurship Development Club is established in colleges to foster entrepreneurial qualities among students, raise awareness about the current industrial landscape, and cultivate the hidden entrepreneurial potential within them. Its aim is to equip members with the skills, techniques, and confidence necessary for successful entrepreneurship.

Objectives of the Club:

- To promote an entrepreneurial mind set and qualities among students.
- To raise awareness about the vast developmental potential of the state.
- To inspire and nurture entrepreneurial talent across various sectors of industry.
- To instil an entrepreneurial spirit within the institution.
- To enlighten students about the real economic and industrial development scenario of the state.

“IGNITION”

DATE :9/1/24
Time : 10.30 am

Resource Person
Sri.BINU BALAKRISHNAN
MANAGER {RET}
DIC,KOLLAM

Principal In Charge
AMJITHA.
ED Club Co-ordinator
Smt.BIJLB.

An engaging and interactive session with Sri. Binu Balakrishnan, Manager, RET, DIC, Kollam, was organized by the Entrepreneurship Development Club on January 9th, 2024, at the college's Seminar Hall. The session was inaugurated by Principal Dr. Amjith S., with a welcome address delivered by Smt. Biji. B., ED Club Coordinator of the college.

The session, which lasted over an hour, was marked by dynamic discussions and valuable insights shared by the resource person. Participants seized the opportunity to ask questions and exchange ideas, creating a collaborative learning atmosphere. The session concluded with further networking opportunities, allowing attendees to gain a deeper understanding of complex market dynamics. Overall, the event was considered highly productive and impactful, leaving participants both inspired and informed.

During the session, the speaker took participants through various stages of entrepreneurship, outlining essential steps and challenges he faced along the way. He highlighted the importance of

understanding the market as the most crucial phase for any aspiring entrepreneur. This market insight, he explained, serves as the foundation for developing sustainable business strategies and significantly influences long-term success.

The session became even more engaging as participants asked insightful questions about their own entrepreneurial goals, particularly on expanding their business ideas and maximizing profitability. The lively exchange of ideas and practical advice created a meaningful platform for aspiring entrepreneurs to explore strategies for growth, expansion, and profitability. Not only did the session inspire attendees to reflect on their entrepreneurial ambitions, but it also equipped them with actionable knowledge to tackle the challenges ahead. The vote of thanks was delivered by Dr. Parvathy Nand, Member of the ED Club.
